Alison-Grace Bui	CDPHE (Health Statistics Section)
Christine Demont-Heinrich	Tri-County Health Department
Rene Horton	CO Dept Health Care Policy & Finance
Jan Lowery	Colorado School of Public Health
John Mahalik	CO Dept of Human Services
Alyson Shupe	CDPHE (Health Statistics Section)
Lorena Zimmer	CDPHE (Office Health Disparities)

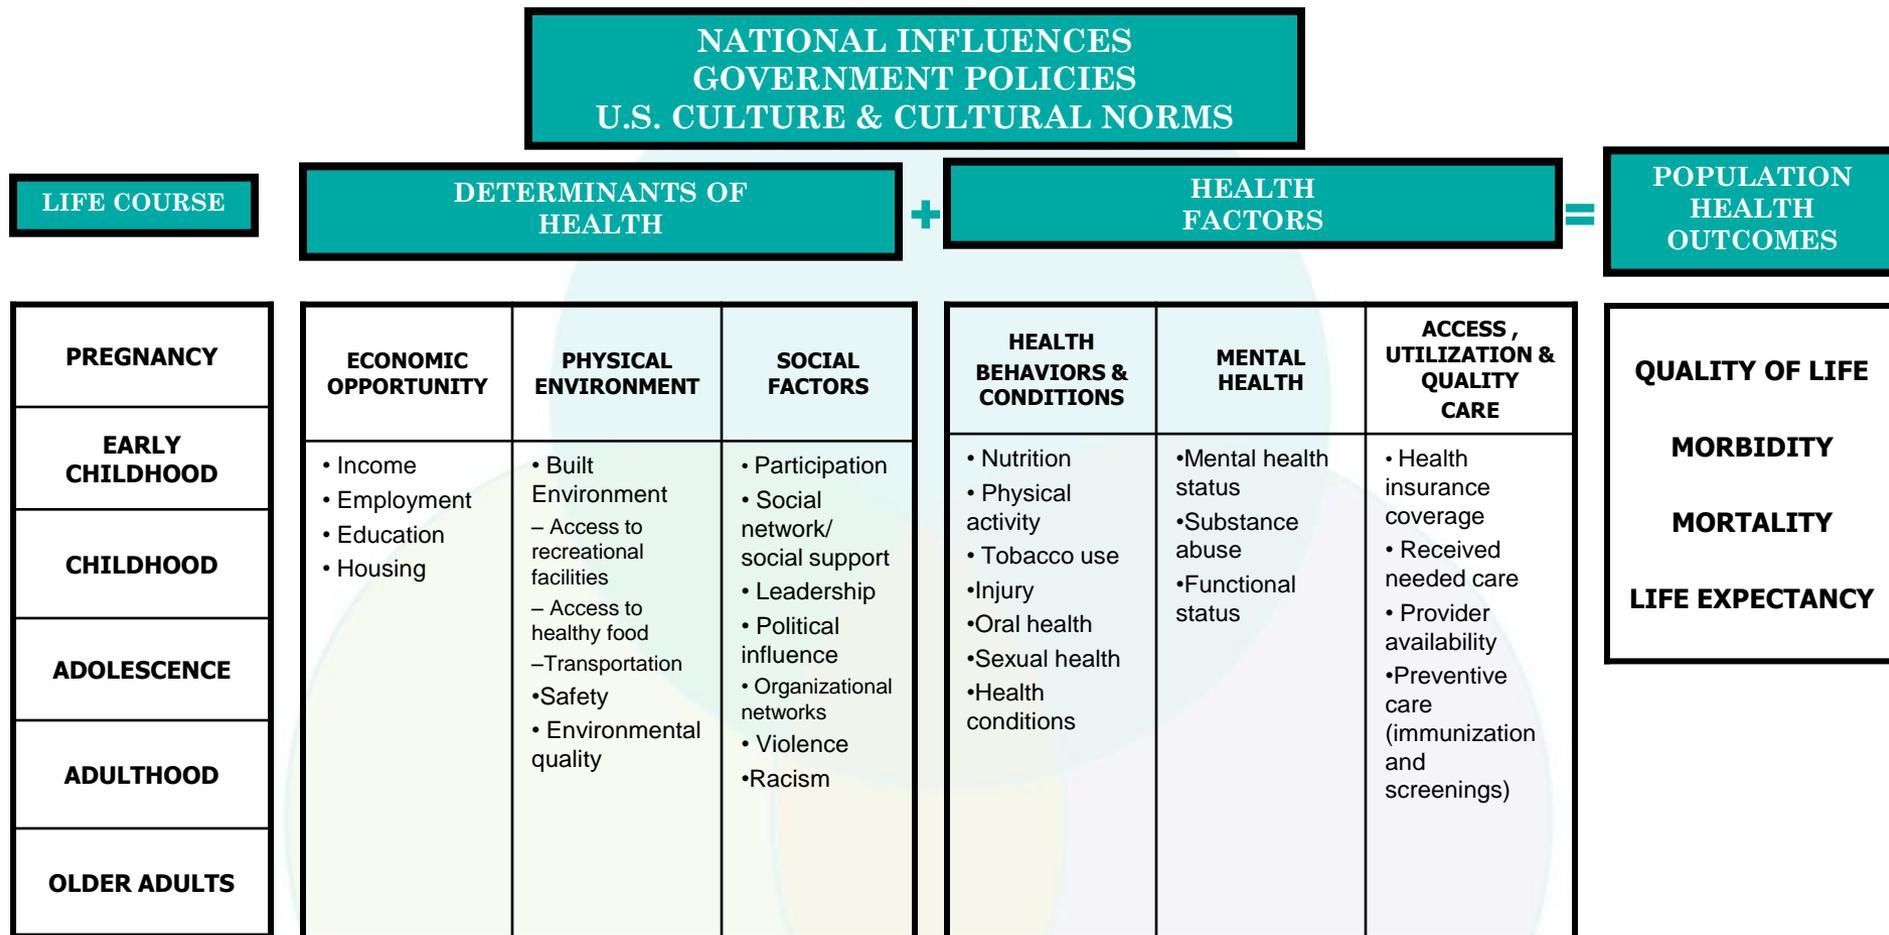

RULES OF BUSINESS

- Respectful of each other's time
- Clear communication from Alison-Grace/Operations Team
 - Clear agendas and tasks
 - Accountability by workgroup
- Primarily **work**group
- Honor/respect for work already done
 - Not data mining
 - Health Equity Model Framework
 - Public health indicators workgroup
- Mindful of number of indicators
 - 250 maximum?
- ~~Prioritization~~
- Awareness of “audience”
- Not much homework so meeting attendance and active participation critical

Health Equity

An Explanatory Framework for Conceptualizing the Social Determinants of Health

Public Health's Role in Addressing the Social Determinants of Health

- Advocating for and defining public policy to achieve health equity
- Coordinated interagency efforts
- Creating supportive environments to enable change
- Data collection, monitoring and surveillance
- Population based interventions to address individual factors
- Community engagement and capacity building

QUALITY OF INDICATORS

- Availability
- Standardization and comparability
- Trusted sources
- Valid and reliable
- Meaningful/salient
- Burden
- No redundancy

PRINCIPLES FOR INDICATOR SELECTION

- Stratify by demographics to identify disparities
- Stay open to emerging issues
- Not limited to outcomes only
- Smallest timeframe possible
- Evidence-based
- Include indicators that are both actionable and contextual
- Consistent with key indicators of state-level efforts where possible

WORKGROUP TASKS

- Monthly meetings
 - Approximately 2 hours
 - January to June 2013
- Tackle 1-2 “Domains” per meeting
 - 8 domains but < 8 months time
- Review indicator list for domain
 - Identify gaps in data
 - Discuss data presentation/formatting
- Assignments based on identified data gaps
 - Certain domains more relevant to workgroup members
- Each meeting will have output
 - Indicator list: indicator, metric, source, data presentation/format

NEXT STEPS

- Setting up meetings
 - Set standard monthly time OR doodle each month?
- Next meeting in January
 - Community Characteristics and Economic Opportunity
- Examples of statewide and local CHA's
- **Questions?**
