

On the Road to Better Health

How the Department of Health Care Policy and Financing is Driving Improved Health Care Delivery and Payment Systems in Colorado

1

THE DEPARTMENT'S STEWARDSHIP IS TWOFOLD. It is accountable to Colorado taxpayers to achieve the best value for their tax dollars. And it is accountable to Coloradans covered by Medicaid – its members – to ensure that they receive quality health care.

2

WHY? Because almost one of four Coloradans is covered by Medicaid, HCPF has the ability to move the market.

3

WHO? HCPF partners with key stakeholders.

Quadruple Aim

- Lowered Costs
- Improved Quality
- Improved Health
- Provider Satisfaction

5

DESTINATION? System Transformation.

Payment Reform Models

4

HOW? HCPF works with stakeholders to build a value-based system.
