Hello CDASS and IHSS Stakeholders:

Consumer Direct Colorado will be presenting at this month's PDPPC meeting on a new Attendant Provider Directory for Colorado. In this attached handout, you will find a copy of the presentation slides. The pictures that are on each of the slides are not intended to be read in detail but rather to provide an example of the screen layout and features that the directory will offer.

There will be an explanation of the pictures on each page during the presentation on May 25th. Included in the presentation will be a detailed explanation of how users without computer/internet access can use and benefit from the directory. Should you need more information, please contact Consumer Direct. We look forward to sharing with you soon!

Thank you,
