

BF PC Security Roles

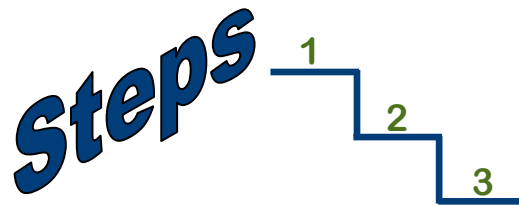

Below are the BF PC security roles and definitions to assist with completing the Secure Compass User ID request form. Please use the titles below (they are also in the drop downs) when requesting new User ID's.

BF PC Only: Job Description is only as a Breastfeeding Peer Counselor as outlined in the Procedure Manual under Staffing. The BF PC LMS would have the BF PC Only security rights. Counseling provided by the BF PC LMS fulfilling the high risk follow-up guidance for the Breastfeeding Complication nutrition risk factor may be documented under the BF PC Documentation panel. The High Risk Counselor will document in the Nutrition Care Plan and check the *High Risk Follow-up box* within 30 days as outlined in the current procedure in Packet D.

Educator + BF PC Counselor: This security role is for the BF PC who works as both a BF PC and as a WIC Educator and will have all the security rights of a WIC Educator. When working as a BF PC, this person should be careful not to provided WIC Educator or regular WIC services such as issue food benefits or schedule WIC appointments.

BF PC Coordinator: This is a supervisory role and a person with these security rights will have all the security rights of a supervisor.
