

INFANT FEEDING SURVEY FOR MOMS		
	YES	NO
My delivery was : Cesarean Vaginal (Circle One)		
My baby needed to go to the special care nursery.		
I chose to breastfeed my baby.		
I was shown how to breastfeed my baby.		
My baby was given a bottle.		
My baby was fed something other than my breast milk Donor Milk Formula (Circle One)		
I was instructed to breastfeed whenever my baby wanted to nurse (at least 8 – 12 times in 24 hours).		
My baby and I had skin-to-skin contact immediately after birth and for at least the 1 st hour.		
Were the advantages of skin-to-skin explained to you?		
My baby was given a pacifier. If yes, for this reason: _____		
Have you and your baby been together since delivery, called Rooming In (except for 1 hour or less for medical procedures)?		
I was told when my baby would need a checkup and how to schedule a checkup appointment.		
I was told how to contact a breastfeeding mother’s support group before I was discharged from the hospital/birth center.		
I was educated on the importance of exclusive breastfeeding for 6 months.		
I was taught hand expression.
