

Ordering Instructions for Products Not on Retail Shelves
(March 2013 revision)

POLICY:

Local Agency WIC staff may special order exempt infant formulas and WIC-eligible medical foods when a special formula is not locally available within the required time or in the quantities needed, or is excessively priced. No more than one month's issuance of special formula may be ordered at a time. Ward Road Pharmacy is the Colorado WIC Program's retail source for special formulas not available locally.

Procedures to issue Food Instruments (FIs) and order/receive special formulas for participants with special nutritional needs require modification from those established for routine food benefit issuance.

One necessary modification is that WIC FIs for special formulas may be printed immediately prior to creating and emailing the special formula order to State Office. Once printed, these FIs must be maintained in a secure place accessible only to WIC staff until the participant/endorser/proxy picks up the formula at the WIC clinic and the FIs are forwarded to Ward Road Pharmacy as payment.

A second necessary modification is that, in those instances when the special formula is not picked up at the WIC clinic by the endorser/participant/proxy, WIC staff signs their own name to the FIs and mails them to Ward Road Pharmacy.

PROCEDURE:

Perform the following steps when a prescription is approved for a new participant or for a reoccurring order:

- 1. Prior to placing the special formula order, local agency WIC staff is responsible to ensure (within reason) that the formula is the correct issuance for that month and will be picked up by the endorser/participant.**
- 2. Print the food instruments (FIs) at the proper time so that the FIs specify the correct amount of formula.**
 - a. In order to print a full month's issuance in Compass, printing must occur between the last few days of the previous month and before the 10th day of the issuance month. Proration occurs when FIs are printed after the 10th day of the issuance month. In Compass, it is not necessary to bring the participants/endorser in during the first 10 days of the month. Their appointment schedule need not be disrupted as long as FIs are printed within the time frame specified above. When feasible, print the next month's FIs at the same time the endorser is picking up the current month's formula.
 - b. When the endorser/participant is present during the check printing, capture her signature on the signature pad to acknowledge issuance of the FIs. When the

endorser/participant is not present, WIC staff clicks the “No signature available” checkbox.

- c. Maintain the next month’s FIs in a secure place accessible only to WIC staff.

3. Create one email order per participant.

- a. Email contents:

From: person sending the email order

To: CDPHE.WICFormula@state.co.us

Subject: participant’s first name.clinic name.email date

(example: Joe.Englewood.06.24.12)

NOTE: For agencies that prohibit emailing of participant first name, the subject line can list “WIC order” followed by the clinic name and email date.

Provide all the information in the order as listed below:

- Participant first name:
- Family WIC ID number:
- Date of birth:
- Formula:
- Order amount:
- Amount in clinic:
- Valid check date:
- Appointment date:
- WIC Clinic name:
- Attention:
- Email address of person placing the order:

- b. Additional clarifications:

- “Name”- the participant’s first name only. Those local agencies that prohibit the emailing of participant first name can leave this field blank.
- “Family WIC ID Number” as printed on the FI.
- “Formula” - the complete formula name. Specify added ingredients, fiber or flavors, such as “Neocate Jr. – tropical fruit” or “Peptamen Jr. with fiber.” The *Ward Road Pharmacy Ordering Guide* posted on the CO WIC web page indicates the available options and whether the formula is available by the can or by the case.
- “Order amount” refers to the amount of formula requested from Ward Road Pharmacy.
- “Amount in clinic” refers to the amount of formula (number of cans or cases) already in the clinic. Often this is WIC-purchased formula that was not picked up by the endorser/participant or was “leftover” when Ward Road Pharmacy would not break cases.
- “Appointment Date” must fall within the FI’s valid date range.
- “Attention”- name of clinic person to receive the formula shipment.

4. **Email the special formula order** to State Office's central mailbox:
CDPHE.WICFormula@state.co.us
5. **Staff ordering the formula will receive two emails:** 1) Copied on the order State Office places to Ward Road Pharmacy; 2) email from Ward Road Pharmacy with the date the formula should arrive at the clinic.
6. **Formula pick-up: Endorser picks up the formula on a day within the FI's valid date range.**

- a) **WIC staff writes in the total invoice amount** (sum of the formula cost and shipping fees) into the *Actual Amount of Sale* box on the WIC FI. Divide the shipping costs between the FIs. On the back of the FIs, WIC staff writes the **date the formula is picked up** in the space above "For Deposit Only."

Example #1: Number of cans specified on invoice exceeds the number of cans stated on the FI and issued to the participant (as may happen when Ward Road does not split cases):

WIC staff always writes in the total invoice amount (sum of the formula cost and shipping fees) into the *Actual Amount of Sale* box on the WIC FI. The formula that's paid for but not issued to the endorser can be part of the next month's issuance.

Example #2: Monthly issuance includes two or more FIs:

Invoice indicates \$288.00 for 9 cans of formula and \$10.00 for shipping. To determine the cost per can, divide 9 into \$288.00. Each can costs \$32.00.

FI #1 is for 4 cans (4 multiplied by \$32.00) = \$128

Half of the shipping cost = \$5.00

Write \$133 into the *Actual Amount of Sale* box on WIC FI #1.

FI #2 is for 5 cans (5 multiplied by \$32.00) = \$160

Half of the shipping cost = \$5.00.

Write \$165 into the *Actual Amount of Sale* box on WIC FI #2.

- b) **Endorser/participant signs the FIs and leaves the clinic with the formula.**
- c) **WIC staff person mails the signed FIs along with copy of the invoice to:**

Ward Road Pharmacy
5656 Ward Way, Unit A
Arvada, CO 80002

7. **Maintain the original invoice** in a central file within the clinic.

8. Staff may print the next month's FIs at the same time the endorser picks up the special formula. Securely store these FIs at the clinic until the endorser/participant arrives to pick up that month's issuance.

9. Staff orders formula for the next month.

Example:

On 7/25: Mom signs the July formula FIs. WIC staff confirms with mom that August formula will be needed and prints the August FIs. Mom's signature is captured in Compass during August FI issuance. Mom takes the July formula home.

Soon after the 7/25 visit: the WIC staff person writes the invoice amount and the 7/25 redemption date on the July FIs and mails them to Ward Road Pharmacy. WIC staff person securely stores the August FIs in the clinic.

About a week before the next appointment: WIC staff person places the August order with State Office, who then forwards the order to Ward Road Pharmacy.

On 8/25: Mom returns to sign the August FIs and takes the August formula home. If no changes in the formula order, repeat this process for September.

10. When endorser/participant does not pick up the special formula:

- a. Make every effort to contact the endorser/participant** to learn whether the formula will be picked up. If formula will not be picked up, learn why and document details in the participant's care plan.
- b. Once established that the formula will not be issued to the participant for whom it was originally intended, the local agency WIC staff person signs his/her own name on the FIs and sends the FIs to Ward Road Pharmacy.** Best practice: whenever possible, the WIC RD/RN signs the FIs.
- c. The WIC RD/RN decides what to do with the unissued formula.** The allowable options are:

Option #1: Issue this special formula to another WIC participant

- All assurances must be made to ensure that the formula is consistently maintained at a safe temperature. Mailing of formula is prohibited.
- Print the FIs (for the receiving participant) and have the endorser/participant/proxy sign the Compass signature pad.
- WIC Staff Person manually writes "VOID" on each of the FIs. Do **not** mail these FIs to Ward Road since WIC has already paid for the formula. Maintain voided FIs in a clinic file for 3.5 years.

Option #2: Donate to a local hospital or medical clinic (when appropriate)

Option #3: Dispose of the formula. Open each can and discard it in such a way that it cannot be ingested.
