

# Regional Snapshot - Region 9: Archuleta, Dolores, La Plata, Montezuma and San Juan Counties

The Healthy Kids Colorado Survey (HKCS) is a tool we use to better understand the health of Colorado's middle and high school students so we can support them in making healthy choices. The following images represent Colorado high school student data from 2015. For more information and complete survey data, visit [healthykidscolo.org](http://healthykidscolo.org).

## PHYSICAL ACTIVITY

## NUTRITION
