

The Colorado Private Occupational School Directory is issued by the Division of Private Occupational Schools. It is revised regularly as a service to prospective students interested in occupational offerings available through privately owned schools.

The directory includes an alphabetical listing of all private occupational schools within the state which meet or exceed the minimum requirements of Colorado's Private Occupational Education Act of 1981, as amended. Each of these schools has been granted a Certificate of Approval by the Division of Private Occupational Schools. Approved occupational program offerings follow each school name and address.

For information on Veterans Approval, call Colorado State Approving Agency (CSAA) at (303) 340-7101
