The initial verification will give results in 3-5 seconds. Ninety-five percent of your inquiries fall under this category.

Enter the required fields.

Enter only the first 9 digits of the 10 digit alien number (1). If you have only 8, precede the first number with a zero. Do not enter the "A". Never enter the last of the 10 digits.

For CDLE, Other Document Description is a forward slash (2). Other special characters (*, \$) may work, but we selected this one when it was set up.

The screenshot shows a web browser window with a form titled "Document Information". The form includes the following fields and options:

- Document Information**
 - Alien/USCIS Number (with a red asterisk and an arrow labeled "1" pointing to the input field)
 - I-94 Number
- Doc. Expiration Date** (mm/dd/yyyy) [input field]
- Passport Number** [input field with a help icon]
- SEVIS ID** [input field with a help icon]
- Other Document Description** [input field containing a forward slash, with a red asterisk and an arrow labeled "2" pointing to it]
- Country of Issuance** [dropdown menu]

Below the form, there are two buttons: "Back" and "Next". An arrow points to the "Next" button.

At the bottom of the form, there are two sections with checkboxes:

- Requested Benefit(s)***
 - Unemployment Insuran
- Additional Request(s)**
 - Request Employment Authorization Document History Data

Enter NEXT and confirm on the next page that you entered the information accurately and then SUBMIT. SAVE will search the many DHS systems and databases and try to match the applicant's information. If there is a mismatch, you may have to correct some of the data you entered and retry the inquiry. If there is nothing to correct, proceed with the request.

EMPLOYMENT AUTHORIZATION DOCUMENT HISTORY DATA

No Employment Authorization Document History exists for this alien.

The Initial Verification Results has a Case Verification Number on the upper right side (1). If there is a match, the response will be under “Status Information” and will have the date of entry and whether the applicant is a Permanent Resident, a US citizen, or work authorized on an Employment Authorization Document, or a Refugee, Asylee or some other general response (2). If there is an expiration date for legal presence, it will be noted under the “Date Admitted To” field (3). You may print a copy of the response from the upper right hand corner. Always close the case when you are done viewing the response (4).

If you need to refer to a case that has already been closed, instead of initiating a new case, you can find it under the “Search Cases” option under “closed cases” by searching with the alien number.

If there was no match, the system will respond with “INSTITUTE ADDITIONAL VERIFICATION” because the data cannot be verified. Usually, this is due to a typographical error. In this case, you will need to have a copy of both sides of the document proving legal presence. The additional verification will take 3-6 Federal work days.

If the document is readily available, request the additional verification. Otherwise, initiate a new case when the document is available. If a match is found, there may be a request to match the photo you have to what SAVE has in the database. If the photo matches, SAVE will respond with the immigration status and you will close the case. If there is no immediate match, you will need to “INSTITUTE ADDITIONAL VERIFICATION” and it may take 3-5 work days before a response is received.

Check on the pending response under the “Search Cases” menu option on the home page. Search for the response under “all open cases” using the alien number or any other number you provided. The case will be “in process” until there is a verification response.

The screenshot shows the 'SEARCH CASES' interface. At the top, there is a navigation bar with a home icon, 'Initiate Case', 'Search Cases' (highlighted with an arrow), 'Profile', 'Reports', and 'Help'. Below this is the 'SEARCH CASES' section with the heading 'CASE FILTERS' and the instruction 'Enter search criteria to display a list of relevant cases.' Under 'Case Status', there are two columns of radio buttons: 'All Open Cases' (selected), 'Cases with Additional Verification Responses', 'Cases In Process', 'Cases Requiring Action', 'Cases with Third-Step Verification Responses', and 'Closed Cases'. Below these are input fields for 'Verification Number', 'Alien/USCIS Number', 'I-94 Number', 'Passport Number', and 'User Case Number'.

If the system still can't match the data, it will prompt you to “Resubmit with Docs”. This will go into the 3rd Step Verification. This is a rare occurrence, but you will need to send actual paper copies of the document and an actual paper G845 form. The response will be electronic and can take from 10-20 Federal work days.

- You are not expected to be well versed on immigration terms, laws or matters. If you don't understand a response or have any questions, contact the SAVE experts. They are very helpful and respond quickly.
