

PIAC Calendar–ACC 2.0 Topics

Version 1 - August 18, 2015

The Department will continue to engage our community partners as we develop the next iteration of the ACC. Below is a calendar of issues we will bring to our Program Improvement Advisory Committee (PIAC). Please note that the topics and timeline may change in response to program office needs and negotiations with our federal partners. The PIAC will receive materials for a structured discussion in advance of each meeting.
