		10 am -12 pm	Exit 240 EB On-Ramp	240	EB	On-Ramp	Water Wheel Park Work
		7 am – 5 pm	Exit 241 (Roundabout)	241	EB	EB Colorado Blvd.	Roundabout completion work. One way traffic through the roundabout
SAT	4/16/16		NONE				

Additional Project Information:

- *The times listed on this report are scheduled work times. Because it takes time to put signs, cones and other traffic control devices in place before crews begin work and additional time to pick them up when work is finished, there could be signs, cones and other traffic control devices on the roadway before and after crews do their work.
- Water Wheel Park is closed to pedestrians. Remaining work in the park includes finishing the landscape walls, pouring the plaza concrete, installing pedestrian rails, putting in the irrigation system and doing the landscaping work. The park is expected to reopen in June.
- The new eastbound I-70 off-ramp to Exit 241 is expected to open mid-week. This new off-ramp is several hundred feet west of the old ramp so drivers will need to be prepared to exit sooner.
