

The Power of

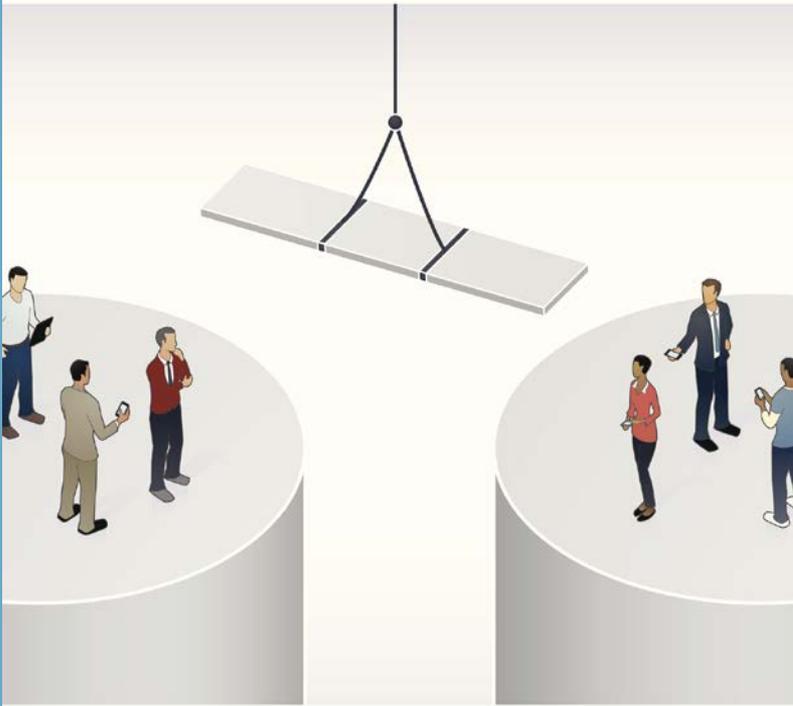

ALL

Learning Objectives

- Understand the importance of collaboration
 - With each other
 - With unconventional partners
- Identify new partners in community

Outside the Silo: Innovative Partnerships

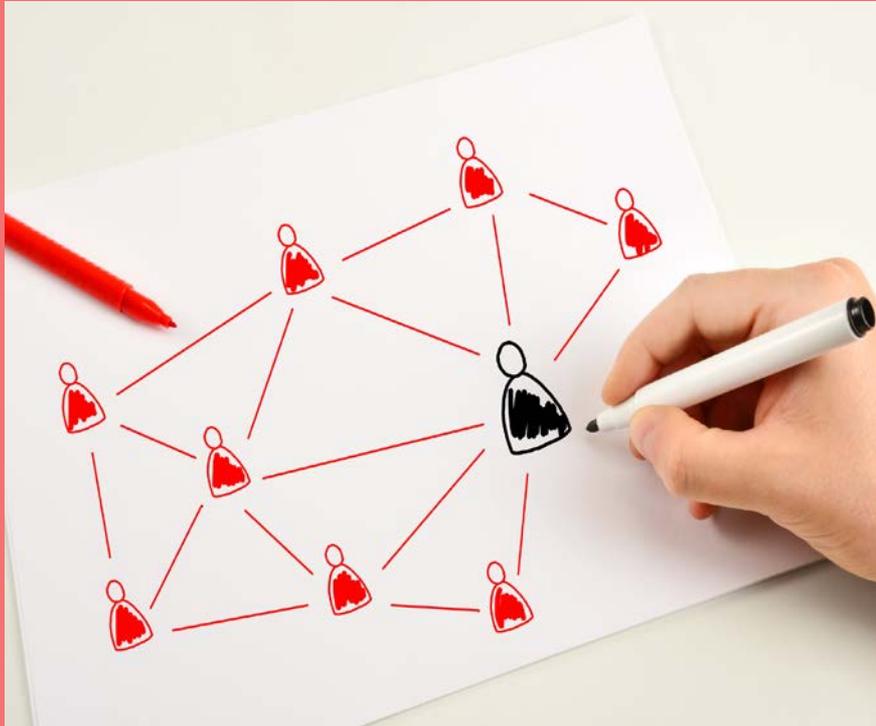

Be flexible, curious, and comprehensive

We can impact our work by leveraging partnerships and considering the system

Wellness programs
Clinical care networks
Air quality teams
Business sustainability teams
Child care networks
Housing networks
Elder care network
Household hazardous waste
Pharmacies
CCPD Grantees
Regional STEPP Grantees
Inter-agency cross collaborations
Marijuana regulatory efforts

Community Examples: BVCN, The Little Clinic, and Healthy Housing

What we learned ...
