

Printing Official Certificates of Immunization for Your Patients from CIIS

To Print an Immunization Certificate, Just Follow These Steps:

Step 1: Login to CIIS at <https://ciis.state.co.us/ciis>

Step 2: Double click on the “Patients” module on the left side of the screen, and you will be taken to the search screen.

Step 3: Next, search for the patient for whom you want to print an immunization certificate by typing the first few letters of the first and last name and clicking the “Search” button. (Tip: If you need to limit the search, you can add the date of birth.)

Colorado Department of Public Health and Environment

Your child must comply with Colorado's immunization law to be enrolled in school. Retain this document as proof of immunization.
 Su hijo/a debe cumplir con la ley de inmunización de Colorado para poder inscribirse en la escuela. Guarde este documento como prueba de vacunación.

For appointment or information, contact your local county health department or your physician's office.

A vaccination health record helps you and your healthcare provider keep your child's vaccinations on schedule. If you move or change providers, having an accurate record might prevent your child from repeating vaccinations you have already had. A shot record should be started when you receive your first vaccination and updated with each vaccination visit. Bring this record to every visit.

If you have questions or need to know where you can get immunizations, call the Colorado HELP Line at 1-877-462-2911.
