### **PY15 Local WIOA Transition Plan Approvals**

The Colorado Workforce Development Council gave the Executive Committee authority for final approval of the Program Year 2015 Local WIOA Transition Plans. The approval is determined in consultation with the Colorado Department of Labor & Employment (CDLE). The PY15 Local Plans were reviewed by the CDLE Regional Services Team, in consultation with CDLE Fiscal Auditors, the Human Resources Equal Opportunity Officer, and the Workforce Development Programs Contract Coordinator. Their recommendations were provided to a task group of Council members, who then provided their input. CWDC staff also reviewed the plans. The task group's and staff's recommendations were given to the Executive Committee for approval. Local workforce areas have received a letter notifying them of their approval status and providing conditions (if necessary) and feedback.

#### Recommendation Options:

1. Approve
2. Conditional Approval – with conditions stipulated
3. Not Approved – with reason provided
