Dear Pharmacy Providers,

We want to make sure pharmacy providers are aware that claims previously processed by Xerox CAN be reversed in the new claims system.

There is six years of claims information in the Magellan system. Pharmacies should process the reversal like they always have.

As a reminder all transactions submitted to Magellan should have BIN = 018902 and PCN P303018902.

If you need any assistance, please call the Magellan Rx Management Pharmacy Call Center at 1-800-424-5725.

Thank you,

The Department of Health Care Policy and Financing
