

Colorado Assessment Tool Project

January CM Meeting

High Level Assessment Process Flow

Proposed Pilot Approach

Approach

LOC pilot

Statistically Valid sample to understand impact of changes in LOC determinations
EBD, IDD, MH
Priority 1

Initial Intake & eligibility screen process pilot

Sufficient sample of SEP and CCB to provide adequate information about content and processes:
Priority 2

Person-Centered Module Pilot:

Sufficient sample of SEP and CCB to provide adequate information about content and processes:
Priority 2

Support Planning Assessment (Non-IDD)

Sufficient sample to provide adequate information about content and processes:
Priority 3

Support Planning Assessment (IDD)

Sufficient sample to provide adequate information about content and processes:
Priority 3

Review of other documents

- Pilot Summary Word document
- LOC pilot tool
- Intake and eligibility flowchart

Process for the pilots

- Web-enabled and/or in person trainings
- Fillable pdfs that can be electronically sent in?
 - Will that work?

Interested in Participating in Pilot(s)

- Fill out sign up sheet

Input and Questions?
