Income Tax Extension & Previously Scheduled Income Tax Payments ***Extension does not automatically move previously scheduled payments***

Denver, March 31, 2020 – The Colorado Department of Revenue (CDOR) recently announced the extension of the Income Tax payment deadline by 90 days to July 15, 2020. This extension permits taxpayers to pay any income taxes owed by July 15th, 2020, without penalties or interest. The extension does not automatically change income tax payments already scheduled to happen on or before April 15th, 2020.

Coloradans wishing to cancel their currently scheduled direct debit payments in order to take advantage of the deadline extension can do so by emailing the Colorado Department of Revenue at DOR_TaxpayerService@state.co.us. For expedited processing, taxpayers should put “Request Cancellation of Direct Debit Payment” in the subject line of the email. Once a payment is cancelled, it cannot be rescheduled through filing software, and a taxpayer must pay by the extended due date using another method to avoid penalty and interest.

Please submit all payment cancellation requests no later than 5:00 PM, Monday, April 13th, 2020. Please do not wait until the last minute to contact us regarding a scheduled payment as we cannot guarantee that we will be able to cancel the payment by April 15. Once a payment has been processed, we are unable to refund or return the payment.

The Department is continually monitoring the evolving COVID-19 situation, and responding in real-time to address the questions and concerns of Coloradans. To help keep the public informed, CDOR has set up a COVID-19 page where we will post all updates and changes related to taxes, deadline extensions, services and penalties. Please visit www.Colorado.gov/Tax/COVID-19-Updates for more information.
