

**Quarterly Update**  
Steamboat Lake Water & Sanitation District  
**October 2015**

Dear District Owners,

The Water Board wishes to thank all district members for their conservation efforts this summer. If you have any questions about water usage, please consult our website at [www.colorado.gov/SLWSD](http://www.colorado.gov/SLWSD) or contact a Board Member.

District members should have received a notice of public hearing regarding the SLWSD Service Plan. A draft of the Service Plan Amendment will be posted on our website at [www.colorado.gov/SLWSD](http://www.colorado.gov/SLWSD). The public meeting is scheduled for Monday, October 19<sup>th</sup>, 2015 at 6:00 pm at the North Routt Volunteer Fire Station No. 2 (near Steamboat Lake).

We received a lot of positive feedback about picking up dog waste from our last quarterly update. The Board would like to remind people how important this is to our continued water quality and to thank the district members who have been and have started to pick up after their dog. We know that all district members, with and without dogs, appreciate it.
