### **Request for Proposals, various sections are modified as follows:**

1. The Proposal date and time will be revised to Wednesday, April 27, 2016, 2:00 PM.
  - The cut-off date for questions and RFI's will be revised to close-of-business Thursday, April 21, 2016, 5:00 PM.
  - The final Addendum issue date will be Monday, April 25, 2016, 2:00 PM.
2. The Contract will be conducted as a Unit Price contract, not a Lump Sum contract.
3. There will be no striping included in the Contract.
4. The Town will issue a no-cost Right-of-Way work permit for the project work. There are no other known permits required for the Town. There are no known County or State permits required.
5. The Town will retain ownership of all pulverized full-depth reclamation (FDR) products, to be left in stockpiles at locations designated by the Town. The stockpile areas will be designated on mapping exhibits to be provided with Addendum #3. All FDR spoil stockpile areas will be located in the Town of Bennett and within two miles of the project work areas.
