As a member of the Colorado Medicaid's Accountable Care Collaborative (ACC) Program, you are required to have a primary care medical provider (PCMP). Your PCMP will be your "medical home," where you get most of your health care. Our records show that you recently had an appointment with <PCMP Name>. We will assign <PCMP Name> to be your PCMP.

Your Primary Care Provider (PCMP): <PCMP Name>
<PCMP Phone>

If you are comfortable with this provider, **you don't need to take any action.** Please make a well-visit appointment as soon as you can.

If you want to change your Primary Care Medical Provider, call **HealthColorado** at **303-839-2120** (Denver) or **1-888-367-6557** (outside of Denver). **HealthColorado** is open Monday - Friday, 8:00 a.m. to 5:00 p.m. This call is free.

As a member of the ACC Program, you are an important part of improving your own health. We encourage you to get to know your primary care provider when you are well, so he or she can better care for you when you are sick.

If you need help finding providers or community services in your area, call your Regional Care Collaborative Organization (RCCO). Your RCCO is < RCCO > and you can reach them at <RCCO Phone >.
