

COLORADO
Department of Health Care
Policy & Financing

Dear Providers,

The Department is aware that claims for Rehab Agency and Non-Physician Practitioner - Group provider types were denied for some services that should be allowed for these provider types. These claims were denied for EOB 0182 – “Billing Provider Type and/or Specialty is not allowable for the service billed.”

This email is to inform you that this issue has been resolved as of August 18, 2017, and affected claims will be reprocessed by DXC.

Thank you,

Health First Colorado (Colorado's Medicaid Program)
