

Roadway Construction Announcement Lakeside/Mountain View/ E. Oak Roundabout Intersection

Project Overview

The Bayfield School District 10-JTR and the Town of Bayfield will begin the roundabout intersection project at the intersections of Lakeside Drive and Mountain View Drive and E. Oak Drive.

The project will replace an inferior intersection and account for anticipated traffic increases when the new Intermediate School opens. Work on this project consists of demolition of the existing intersection, re-grading, and relocating underground and above ground utilities, construction of new roundabout intersection and approaches to the intersection, widening of E. Oak between N. Mountain View and N. Cedar Dr., insertion of turn lanes, curb and gutter, sidewalks, a crosswalk and bike lanes.

Project Schedule and Information

Work started in **March 2018** with full road closure scheduled to begin **May 29, 2018**. Closure is expected to last until **August 2018**.

Normal working hours will generally be from **7 AM to 7 PM, Monday thru Friday**.

- ❖ In special cases these hours may be extended.
- ❖ Weekend work may also occur, if a need is determined and agreed upon.

There will be **total closure with the following detours**:

- Lakeside and Westview Drives will have local access via a temporary roadway connecting to Wolverine Drive in the Bayfield Business Center
- East Oak traffic will be detoured onto N. Cedar Drive, E. Cedar Drive, Sossaman Road to CR 501
- Mountain View Drive will be open to local residential traffic only north and south or intersection. Traffic will be rerouted to Bayfield Center Drive on the south and Sossaman Drive on the North
