This exhibit does not include supplemental payments, outstationing payments, or upper payment limit financing. Effective with the Department's February 2012 request, Nursing Facility Supplemental Payments have been removed from per capita figures. See narrative for a description of events that alter trends. FY 2013-14 historical values restated for the Eligible Children and SB 11-008 Eligible Children, and the MAGI Pregnant Adults and SB 11-250 Eligible Pregnant Adults eligibility categories, to account for an error that resulted in clients who should have been in the SB populations showing up in Eligible Children or MAGI Pregnant Adults instead; and also to properly place Eligible Children eligible under continuous eligibility in the Eligible Children category rather than the SB 11-008 Eligible Children category.

This exhibit does not include supplemental payments, outstationing payments, or upper payment limit financing. Effective with the Department's February 2012 request, Nursing Facility Supplemental Payments have been removed from per capita figures.

See narrative for a description of events that alter trends.

The per capita costs reported here are adjusted for the two-week FY 2009-10 payment delay; that is, the claims which were delayed at the end of FY 2009-10 (and paid in FY 2010-11) are included in the FY 2009-10 totals and excluded from the FY 2010-11 totals.

FY 2013-14 historical values restated for the Eligible Children and SB 11-008 Eligible Children, and the MAGI Pregnant Adults and SB 11-250 Eligible Pregnant Adults eligibility categories, to account for an error that resulted in clients who should have been in the SB populations showing up in Eligible Children or MAGI Pregnant Adults instead; and also to properly place Eligible Children eligible under continuous eligibility in the Eligible Children category rather than the SB 11-008 Eligible Children category.
