Dear Senate Transportation Committee Members:

Pursuant to Senate Rule 42(a), the Capital Development Committee (CDC) reviews and makes advisory recommendations on legislation that concerns capital construction, controlled maintenance, or proposals to acquire capital assets.

On February 11, 2016, the CDC reviewed Senate Bill 16-109, concerning a Colorado State Patrol facility in Pueblo. The CDC favorably recommends the bill to the Senate Transportation Committee. During the review, the CDC expressed interest in hearing more about the bill from the Colorado Department of Transportation.

If you have any questions or concerns about the CDC's recommendation, please call Kori Donaldson, Legislative Council Staff, at 303-866-4976.

Sincerely,

A handwritten signature in cursive script that reads "Randy Baumgardner".

Senator Randy Baumgardner
Chair, Capital Development Committee
