The Colorado Dental Health Care Program for Low-Income Seniors (Senior Dental Program) provides low-income Coloradans age 60 or older with access to high quality dental care.

Senior Dental Program Fast Facts

- **23** Senior Dental Program Grantees/Providers
- **3,339** Seniors served in FY 2018-19
- **20,092** Total visits in FY 2018-19

A Valuable Service for Seniors

- **$2,960,505** in total grants awarded FY 2018-19

Many low-income Colorado seniors wouldn’t be able to afford the dentist without the services provided by the Senior Dental Program.

Seniors who are eligible for this program must have an income of less than $31,225 per year.

For FY 2018-19, the average cost spent per senior was $887.

Medicare doesn’t pay for dental unless supplemental plans are purchased.

More than 728 seniors are currently on a waitlist for Senior Dental Program Services.

Most Health First Colorado (Colorado’s Medicaid Program) members no longer receive dental benefits at the age of 65.
