Water and Wastewater Facility Operators Certification Board Subcommittees

The Water and Wastewater Facility Operators Certification Board currently maintains the following subcommittees:

Contractor Coordination Subcommittee

*Effective Aug. 30, 2016, subcommittee members representing the board:
Bill Hogrewe (Chair), Ron Falco, Steve Walker and Lance Wenholz.*

The Contractor Coordination Subcommittee is responsible for ongoing coordination with the board's nonprofit contractor, Colorado Environmental Certification and Testing Inc. (CECTI). This subcommittee will take the lead in communications between the board and CECTI, particularly as issues may arise between regularly scheduled board meetings.

Walter A. Weers Outstanding Achievement Award Awards Subcommittee

*Effective Aug. 30, 2016, subcommittee members representing the board:
Gabby Begeman, Tom Settle, and Ray Padgett.*

The Walter A. Weers Outstanding Achievement Award Awards Subcommittee is comprised of three board members, one representative of each division of Colorado Environmental Certification and Testing, Inc. (CECTI), and the Water Quality Control Division liaison to the Operators Certification Program. The subcommittee will consider all nominations submitted. A recommendation to present an Outstanding Achievement Award will be forwarded to the board only if the Awards Subcommittee unanimously agrees that an award should be issued to one of the nominees.

External Audit Oversight Subcommittee

*Effective Aug. 30, 2016, subcommittee members representing the board:
Blair Corning, Robi Darcy, Ron Falco and Tom Settle.*

The External Audit Oversight Subcommittee includes four board members, one representative from CECTI, one representative from the Operator Certification Program Office (OCPO), the Water Quality Control Division liaison to the Operator Certification Program and the board's legal counsel. This subcommittee will develop a plan for implementing an external review of the Colorado Operator Certification Program.
