SUBJECT: TOWN OF PARACHUTE 2016 BUDGET MESSAGE

I am pleased to present to the Mayor, Board of Trustees, and the residents of the Town the 2016 Budget for the Town of Parachute, Colorado. This budget provides a sound financial plan to provide the best possible municipal services for the residents of the Town. The budget generally maintains the current service levels with continued plans to increase street maintenance.

This budget was prepared based upon the best knowledge at hand, including, but not limited to:

- Actual 2014 revenues and expenditures;
- Actual and estimated 2015 revenues and expenditures;
- 2016 and beyond economic outlook;
- Goals and objectives of the Board; and
- The best interests of the residents.

First of all, I would like to thank the staff of the Town of Parachute for their work toward preparation of this product. Secondly, I would like to express gratitude to the Mayor and the Board of Trustees for their continued direction and support of the Town and its staff.

The economy is continuing to experience the downturn in the natural gas industry. Any return of the industry will be, at best, three (3) years – probably longer. Even then it will not come back as we have experienced in the past. Technology has made it possible for the drilling companies to use less and less labor, thus employment and drilling crews will not be as robust as in previous years. This will significantly impact our sales tax as the hotels and restaurants in Town depend upon these crews and local employed residents to do business at their establishments.

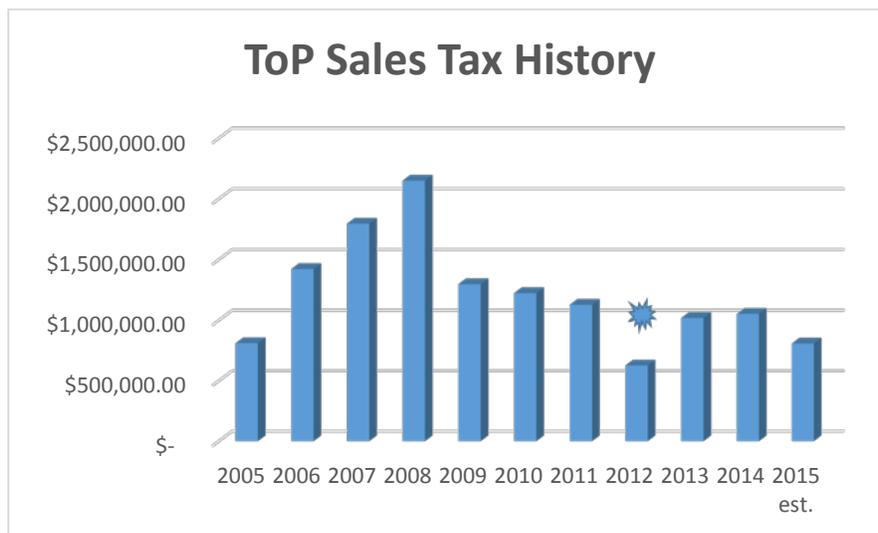

Natural gas industry began its downturn mid-2014 and has continued its spiral downward.

A representative from Williams told me: “As for ... the local economy, like other energy companies we are at the mercy of commodity prices. Depressed natural gas markets have stifled growth and until local producers commit additional capital to the area we don’t expect to add jobs or enlarge our footprint. At this point, projecting a timeframe for this change would only be conjecture.”

Sales Tax Revenues are trending downwards:

2013 Actuals	2014 Actuals	2015 Estimate	2016 Budget
\$ 1,082,981	\$ 1,038,860	\$ 860,031	\$ 750,000

The following graph reflects the sales tax trend from 2005 through 2016. The trend has been downwards since 2009 after a spike in 2008.

★ 2012 is not reflective of actuals; this was the year of major refunds to oil company

The Board of Trustees adopted Ordinance 683 allowing retail marijuana in the Town. Revenues are projected for 2016 based on moving forward with this industry.

The 2016 budget is balanced for ALL funds. In this case balanced means that Sources of Funds (revenues and fund balance) is equal to or greater than projected Uses of Funds (expenditures and transfers).

Sources of Funds	\$ 5,360,170
Uses of Funds	\$ 5,342,970
FTE	16.35

The following table illustrates the total sources of funding for all Town funds.

Revenues / Sources of Funds			
Fund Name	2016 Budget	Fund Balance	Total Sources of Funds
General Fund	\$ 2,279,380	\$ -	\$ 2,279,380
Water Enterprise Fund	766,850	24,040	790,890
Wastewater Enterprise Fund	225,530	-	225,530
Street and Alley Fund	309,460	-	309,460
Garbage Enterprise Fund	56,000	-	56,000
Parks and Recreation Enterprise Fund	-	-	-
Grant Fund	-	-	-
Conservation Trust Fund	3,030	66,660	69,690
Parachute Capital Improvement Fund	750,500	860,520	1,611,020
Debt Service Fund	-	-	-
Reserve Fund	17,180	-	17,180
Federal Assets Forfeiture Fund	1,000	-	1,000
Total Revenues / Sources of Funds	\$ 4,408,930	\$ 951,220	\$ 5,360,150

General Fund revenues are relatively flat from the 2015 estimated receipts. Significant offsetting increases and decrease involve:

- Property TaxesDown \$ 13,330
- Sales Taxes.....Down \$104,480
- Marijuana Sales TaxesUp \$100,000
- Marijuana Excise TaxesUp \$100,000
- Building Permit Fees.....Up \$124,260
- Severance Taxes.....Down \$ 53,320
- Federal Mineral Lease Funds.....Down \$ 41,340
- Special Events RevenuesUp \$102,875

Note: Values are rounded to nearest “5”

Sales taxes are projected to be down from the 2015 estimate by over 30.0%, \$750,000 versus \$854,480 in 2015 and \$1,038,860 (-38.6%) in 2014. Assessed values are down by approximately \$1,000,000, thus the Property Tax Revenue is down. Since the Board of Trustees approved Ordinance 683 that permitted the establishment of retail marijuana sales in the Town. I have forecast sales tax revenues of \$100,000 based on the projections made by the various retail applicants that plan to open for business in late 2015 and the BBC Consulting Marijuana Economic Study. Another \$100,000 is projected to be received from the Town’s new Excise Tax on marijuana cultivation facility sales. Building Permit Fees are anticipated to be increased by 686% due to increased construction for the retail marijuana businesses and other building. Due to the downturn of the natural gas industry, I am anticipating much lower Severance Tax and Federal

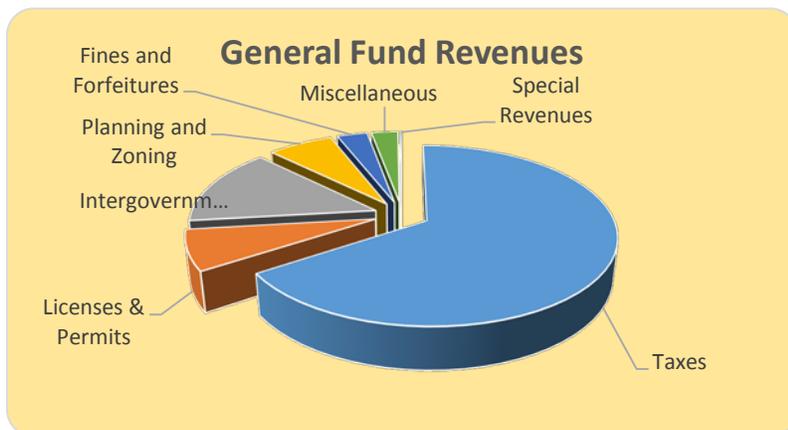

Mineral Lease funding from the Colorado State Department of Local Affairs – a combined expected decline of nearly \$100,000. Although Oktoberfest did not turn a profit in 2015, we anticipate a bigger event with larger crowds in 2016. In addition, we plan to sponsor a Latino themed event in the spring of 2016 in response to our ever increasing population of Latinos.

One significant note, if retail marijuana were not to continue to be allowed, the 2017 budget will be significantly down from 2016. I have performed an analysis of the 2017 budget if the marijuana industry were to be prohibited. Revenues in the General Fund would decline by approximately \$600,000, a 30.0% decrease. I project that staff would have to be reduced in all funds the first year by at least 25.0%. FTE would then probably continue to decrease in subsequent years. With the assumption that unemployment would increase, I have also estimated that the enterprise fund revenues would also decrease by 25.0% in the first year as people relocate for jobs. No donations would be possible as would all capital projects be put on hold or cancelled due to the lack of matching funds for grants.

Description	2016 Budget	2016 Change		
		2014 Actuals	2015 Budget	2015 Projected
General Property Tax	\$392,770	13.51%	-3.56%	-3.39%
Town Sales Tax*	750,000	-38.51%	-42.27%	-13.93%
Town Use Tax	50,000	-18.67%	-2.00%	0.00%
Lodging Tax	100,000	-33.27%	0.00%	-21.72%

* Excludes sales tax from retail marijuana sales.

Taxes continue to be the largest majority of the General Fund revenues. Sales taxes represent nearly 50.0% of the total revenue. The General Property Tax is 26.2 % of the total General Fund revenues.

One major Source of Funds identified in the 2015 budget was fund balance. That is not the case in the 2016 Budget. No Fund Balance is currently being transferred to any other fund from the General Fund. At the beginning of 2016, it is estimated that the General Fund available balance will be nearly of \$1.0 million. In 2014, an established policy amount, \$3.0 million was

transferred from the General Fund to the Reserve Fund. This amount represents approximately one and one half (1.5) years of General Fund operating funds. In addition, the mandatory TABOR 3.0% Emergency Reserve (\$58,570) is maintained in the new fund. An estimated

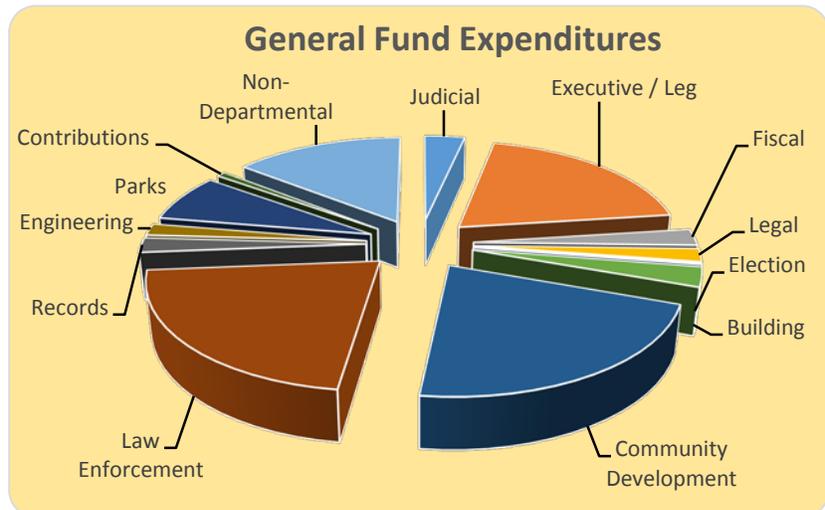

Remaining available fund balance in the General Fund at the end of 2016 will be \$958,000.

Use of fund balance in other funds is as follows:

Fund	Purpose	Amount
Water Fund	Capital Projects	\$ 24,040
Conservation Trust Fund	Contingency	66,660
Capital Improvement Fund	Capital Projects	860,520
Total Use of Fund Balance		\$ 951,220

Expenditures

The graph to the right illustrates that a major portion of the General Fund is spent on Law Enforcement and Community Development. These amounts represent the allocation for the Parachute Police Department to provide for the public safety of the Town residents and for the upkeep and economic development of the Town, respectively.

The Town created another fund in 2014 called the Street and Alley Fund for the purpose of being able to track specifically how much is spent on street maintenance. Revenues related to roads and highways have been removed from the General Fund and allocated directly to streets and alleys, since thus funds are specifically intended for street maintenance and capital. These revenues are:

- Specific Ownership Tax
- M.V. Special Assessment
- Highway User Tax
- County Road & Bridge Property Tax Shareback

In addition, a transfer of \$160,000 has been budgeted from the General Fund to cover the costs of street maintenance for the Town.

All transfers from the General Fund to other funds are:

Fund	Transfer Amount
Parachute Capital Improvement Fund	\$ 59,500
Street and Alley Fund	\$ 160,000
Reserve Fund	\$ 17,180

Water Fund	\$ 69,710
Wastewater Fund	\$ 20,500
Total Transfers from General Fund	\$ 326,890

The transfer to the capital improvement fund represents 1.0% of sales taxes and 100% of building and materials use taxes per the municipal code. The amount transferred to the Reserve Fund is to maintain the TABOR mandatory 3.0% reserve. Transfers to the Water and Wastewater Fund are for ongoing operations, representing the allowable 10.0% of revenues to the enterprise funds.

The following table illustrates the Uses of Funds for the entire Town.

Expenditures / Uses of Funds	
Fund Name	2016 Budget
<u>Expenditures / Uses of Funds</u>	
General Fund	\$ 2,279,380
Water Enterprise Fund	790,890
Wastewater Enterprise Fund	225,530
Street and Alley Fund	309,460
Garbage Enterprise Fund	56,000
Parks and Recreation Enterprise Fund	-
Grant Fund	-
Conservation Trust Fund	69,690
Parachute Capital Improvement Fund	1,611,020
Debt Service Fund	-
Reserve Fund	-
Federal Assets Forfeiture Fund	1,000
Total Expenditures	\$ 5,342,970

* All fund balance in the Conservation Trust Fund is budgeted as Contingency.

Two other funds were created in the 2015 budget: The Parachute Capital Improvement Fund and the Debt Service Fund. These funds have been established to meet the requirements that capital and debt service expenditures for governmental funds need to be expended out of specific funds for the designated purpose.

Additionally, two more funds are recommended to be created in the 2016 Budget:

1. Parks and Recreation Enterprise Fund – to set the Town up to be able to run parks and recreation programs and issue debt to get projects off the ground.
2. Grants Fund – to account appropriately for the recipient of grant awards.

These two funds currently do not have budgeted items, they will be supplemented later in the year when plans are solidified.

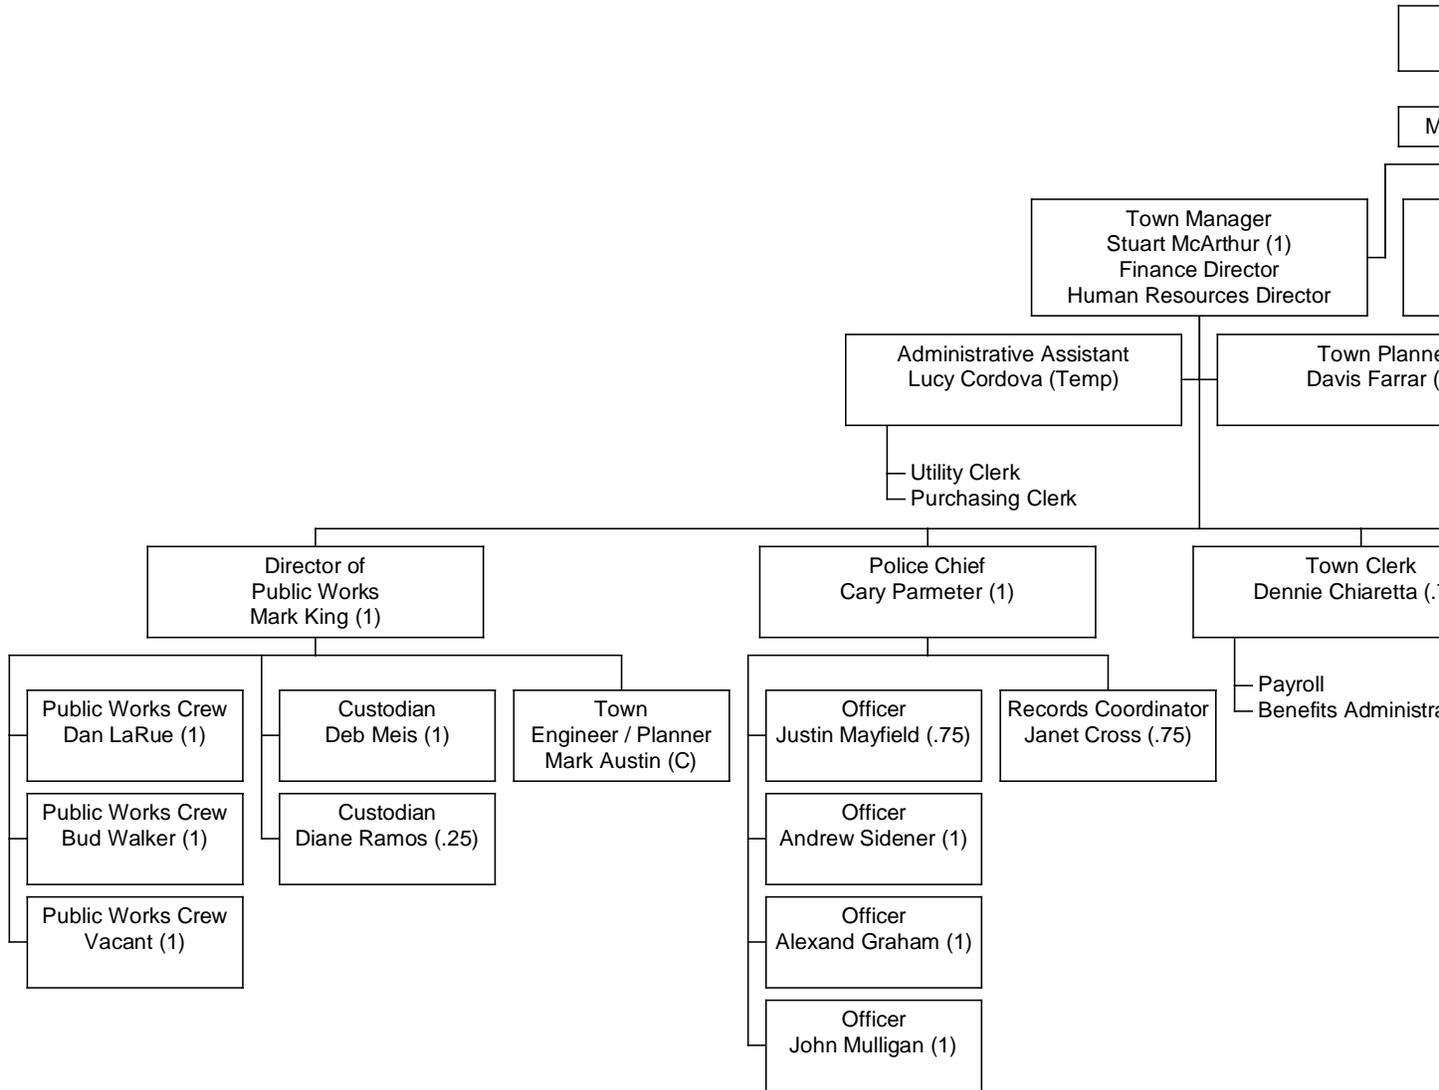

Fund balances for all funds continue to be positive. The Wastewater Enterprise Fund balance is of concern. It experienced an unanticipated large expenditure in 2015 due to a wastewater line blockage with sludge. The Town should look at adjusting the sewer fees upward during 2016. The following table reflects the projected end of 2016 fund balances.

Again, thank you for your support. The coming year promises to be one of positive things for the Town of Parachute. It will be one of interest with the upcoming petitioned recall election in April and the petitioned marijuana prohibition election in November. As a result, although positive, 2016 will be one of uncertainty.
