2 Source: Colorado Department of Labor and Employment, Labor Market Information, QCEW, "Quarterly Census of Employment and Wages, for Multiple industries in Colorado in 2013". Sector totals differ from the QCEW Annual Averages due to the distribution of government employees throughout all sectors, a later download date, and rounding of data. An employed person is a covered worker who worked during, or received pay for, the pay period that included the 12th day of the month.

3 "Other" includes nonclassifiable establishments, invalid NAICS codes, and missing NAICS codes.

Public administration is the industry sector with the highest number of fatal claims while the highest rate of fatal claims in 2013 was found in Agriculture, Forestry, Fishing & Hunting. (See Table 10 for job classifications included under this category.)
