Missing ²	8	11.1

Notes:

* Counts less than three (3) are suppressed to protect confidentiality of death records.

1 Information on specific characteristics in this table was primarily derived from death certificates and was reported by a relative, or in their absence, the coroner or physician who completed the death certificate. Some missing data (age, gender) was filled from the First Report of Injury.

2 Missing categories can include cases with no death certificate. In some cases, missing data was filled by data from the First Report of Injury.

3 No Black or American Indian workers were also identified as Hispanic.
