- 2 Fatal claims are included in count of lost-time claims.
- 3 Source: Colorado Department of Labor and Employment, Labor Market Information, "2011 Quarterly Census of Employment and Wages, Supersector data for Colorado, Aggregate of all types." Statewide total on QCEW differs due to distribution of government employees throughout sectors. An employed person is a covered worker who worked during, or received pay for the pay period that included the 12th day of the month..
- 4 "Other" includes nonclassified establishments, invalid NAICS codes, and missing data.
- 5 Totals at the industry/sector level for Colorado include nondisclosable data suppressed within the detailed table in Table 10. However, these sector totals cannot be used in Table 10 because it would allow the suppressed sub-sector data to be revealed.
