3. Respond to Major Questions from 11/20/18 **10:30 am – 11:00 am**

- Can a Transitions Coordination Agency (TCA) contract with Transition Coordinators (TCs) as opposed to employing them as W-2 employees?
- TCAs must meet financial auditing requirements, which is regularly performed by government and nonprofit organizations, but is not typical for a for-profit business. If we are a for-profit business, is there an equivalent we could request instead?
- TCAs are required to have two years of experience as a CM or similar agency. If the business owner has more than two years of experience, would that be accepted?

4. Break **11:00 am – 11:15 am**

Our mission is to improve health care access and outcomes for the people we serve
while demonstrating sound stewardship of financial resources.
