October 31, 2008

The Honorable Andrew Romanoff  
Speaker of the House  
Colorado General Assembly

The Honorable Peter Groff  
President of the Senate  
Colorado General Assembly

Dear Sirs,

In accordance with CRS 24-75-212, we submit the Report of Federal Assistance for all state agencies for the fiscal year ended June 30, 2008.

The Fiscal Year 2008 federal expenditures are up from the Fiscal Year 2007 expenditures by approximately \$505 million. This increase is primarily related to a \$158 million increase in Student Financial Aid, a \$154 million increase in Medicaid, a \$101 million increase in Unclustered Programs, and an \$82 million increase in Highway Planning and Construction. The residual increase comprises a large number of smaller increases.

The attached schedule was compiled from information provided by state agencies and has not been audited or verified by our office. However, the State Auditor will audit the data supporting the schedule as part of the Statewide Single Audit, and any audit adjustments will be incorporated in the final Schedule of Expenditures of Federal Awards (SEFA) printed in the Auditor's Single Audit Report.

In order for this report to match the required SEFA presentation, the \$388.9 million shown for Unemployment Insurance in Department of Labor and Employment includes \$49.4 million of federal support and \$339.5 million of state match.

If you have any questions concerning this report please contact Hollie Turtle at (303) 866-3894.

Sincerely,

David J. McDermott, CPA  
Colorado State Controller

Cc: Todd Saliman, OSPB

STATE OF COLORADO  
FEDERAL ASSISTANCE REPORTED BY STATE AGENCIES  
FOR THE FISCAL YEAR ENDING JUNE 30, 2008

*Note 1. Basis of Presentation*

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the State of Colorado agencies and institutions of higher education. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Under A-133, an award is considered expended when certain events related to the award occur. These include:

- Expenditure/expense transactions associated with grants, cost reimbursement contracts, cooperative agreements, and direct appropriations. The State of Colorado recognizes expenditures/expenses on the modified accrual or full accrual basis depending on the fund used. See note 5 of the Basic Financial Statements for additional information.
- Disbursement of amounts entitling the state to an interest subsidy
- Use of loan proceeds under loan and loan guarantee programs
- Distribution or consumption of food commodities
- Receipt of property or surplus property
- Disbursement of funds to subrecipients
- The period when insurance is in force
- Receipt or use of program income

As a result of these criteria, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

*Note 2. Report Organization - Federal Assistance Reported by State Agencies*

The Report is organized first by cash assistance and then by noncash assistance. Within these subgroups, the information is sorted by agency indicator.

*Note 3. Other Assistance*

Most noncash assistance is reported on the final two pages of the Federal Assistance Reported by State Agencies. The following provides additional information about amounts shown in the report that federal agencies consider to be assistance.

- A. The State Department of Labor and Employment expended \$388,875,704 for grant 17.225 - Unemployment Insurance and 17.Unknown for Federal Employee Compensation Act (FECA) Reimbursable, Federal Extended Benefits and Temporary Extended Unemployment Compensation (TEUC) Benefit Payments. The total expenditure amount includes the federal portion of the grants and the required state match in the amounts of \$49,389,357 and \$339,486,347, respectively.
- B. The State Department of Higher Education expended \$751,140,239 for grant 84.032 - Federal Family Education Loans. Of this amount, \$319,641,472 has been or will be received from the federal government related to incentive fees and reinsurance costs of student loan defaults paid to lenders. The remaining amount is made up of new loan issuances of which \$384,010,701 was guaranteed by the Colorado College Assist, and \$47,488,066 was guaranteed by other entities. The outstanding balance of the Federal Family Education Loan program since its inception was \$13,081,223,566 as of June 30, 2008.

*Note 4. Subrecipients*

All amounts passed-through to subrecipients are identified in the Report under the column titled Passed to Subrecipients.
