Policy & Financing

Dear Provider,

If you do not provide anesthesia, please disregard this message. Anesthesia claims received on or after March 1, 2017, were overpaying for the rate per minute instead of per unit, where each unit is 15 minutes. This issue was resolved on March 16, 2018, and anesthesia claims are now paying at the correct increments.

Affected claims will be reprocessed by DXC and overpaid funds will be recouped. The Department and DXC anticipate that reprocessing will occur within the next several weeks.

We apologize for any inconvenience this may cause.

Thank you,

Department of Health Care Policy & Financing
