Dear Provider,

Claims billed with a HCPCS 2019 procedure code were previously suspending for Explanation of Benefits 0000 - "This claim/service is pending for program review." This issue was resolved on January 23, 2019, when HCPCS 2019 codes were loaded to the Colorado interChange.

Previously suspended claims are expected to be released by DXC on February 1, 2019, and reported on Remittance Advices on February 4, 2019. Electronic funds transfers are usually deposited into provider accounts the following Thursday.

Thank you,

Department of Health Care Policy & Financing
