

Dear Provider,

Duplicate claims which were previously paid will be recouped. They will appear on Remittance Advices (RAs) for the August 24, 2018, financial cycle.

Refer to the [Reading Your Remittance Advice \(RA\) Provider Web Portal Quick Guide](#) for information on how the recoupment will appear on your RA.

Radiology providers are no longer receiving duplicate payments as of August 17, 2018.

Thank you,

Department of Health Care Policy & Financing

Dear Provider,

Radiology providers may have received duplicate payments since March 2017. This issue will be corrected and all paid radiology claims from March 2017 to present will be reprocessed. DXC and the Department anticipate that these claims will be reprocessed in approximately two weeks.

Providers should expect that duplicate claims which were previously paid will be denied, and duplicate payments will be recouped. Refer to the [Reading Your Remittance Advice \(RA\) Provider Web Portal Quick Guide](#) for information on how the recoupment will appear on your RA.

Thank you,

Department of Health Care Policy & Financing
