Purpose

Review potential changes to Regulation 84 that will be proposed at the Water Quality Control Commission Triennial Review Informational hearing on May 9, 2016.

Desired Outcomes

By, 3:00 p.m., we will have:

- A clear understanding of the changes the Water Quality Control Division intends to propose for Regulation 84.
- A clear understanding of how the commission rulemaking process works so stakeholders understand how to participate in the Reg. 84 rulemaking process.

Deliverable:

By 3 p.m., the division will finalize the document *Summary of Potential Changes to Regulation 84* based on discussion during the meeting. The draft document is posted on the Reclaimed Water Stakeholders' [webpage](#).
