

Construction Stormwater General Permit Renewal Pre-Public Notice Meeting

Agenda

Monday, November 2, 2015
(a.m. and p.m. sessions)

MEETING DETAILS

****Due to meeting space constraints, this [meeting requires a RSVP](#) to attend****

Meeting will be held at the CDPHE campus:

4300 Cherry Creek Drive South
Denver, Colorado 80246
Meeting Room: Sabin-Cleere

PURPOSE

- To discuss the permit renewal and proposed changes so that stakeholders understand the upcoming changes to the permit; and
- To utilize the opportunity for dialogue on selected topics and/or those brought forth by the group so the division understands areas of interest from stakeholders.

DESIRED OUTCOME

By the end of this meeting, we will have:

- A clear understanding of the major areas of proposed changes to the permit renewal.

AGENDA

1. Start up: meeting purpose, scope, ground rules, agenda review (5 minutes).
2. Division presentation (30 minutes).
3. Q&A on topics presented by the division (20 minutes).
