NOTICE

PLEASE EXCUSE THE INCONVENIENCE
TEMPORARY WATER SHUT-OFF

Dear Customer:

Forest View Acres Water District is in the process of installing a new water main in the area. To install water system improvements, water service will be temporarily interrupted for all properties within the District to the ***EAST OF SPRUCE ROAD***. Please see included map. Properties in blue will lose water as scheduled below.

WATER WILL BE SHUT-OFF on Wednesday, December 11th from 9am – 4pm. Prior to the shutdown, please draw enough water to supply your needs during this period.

Occasionally, some problems occur after water service is restored. If water shows discoloration, run the water until it clears.

If you have any concerns regarding the temporary water service interruption, please feel free to contact us (719-227-0072).

In the event that inclement weather occurs, and the work cannot be completed on December 11th, the water shutdown will be **rescheduled for Tuesday, December 17th from 9am-4pm**. Please check the District's website (<https://www.colorado.gov/fvawd>) for updates regarding the water shutdown.

Sincerely,
Forest View Acres Water District
