Gov2Go App

No-cost setup for alerts on reminders and renewals.

- Receive renewal reminders
- Renew vehicle tags
- Allows residents to interact with government
- Lowers the number of office appointments

Personalized to you: Select the government services that are relevant to you so that you can stay on-the-ball with government deadlines and important updates.

Secure and Private: The information you provide within the app is used only in the ways that you allow. Add or remove information at any time.

Constantly Improving: Always adding new features and bringing in new government services that are relevant and convenient.

HOW TO PARTNER WITH SIPA

Visit SIPA’s website to find the EGE agreement and service request form www.colorado.gov/SIPA

Eligibility
Colorado state and local governments, special districts, K-12 and public universities can work with SIPA.

Get Started
The first step is to complete an Eligible Government Entity (EGE) Agreement.

Request a Service
Request a service through the service request form on the SIPA website.
