Dispose of noxious weeds free of charge

The Town of Estes Park will offer free disposal of noxious weeds at 666 Elm Rd. beginning June 1. The site will be open Monday, Wednesday and Friday from 8 a.m. to 3 p.m. Weeds may be brought to the site in paper bags, which can be purchased from local hardware stores. Preparation and transport must be handled by the property owner or a private contractor. Yard waste will not be accepted.

The Town of Estes Park's Parks Division recently installed informational kiosks at the site to inform residents of noxious weeds in the area, as well as information on the Estes Land Stewardship Association and the upcoming Weed Round-Up, tentatively expected to take place in late July.
