Street closures in effect July 6 for Rooftop Rodeo Parade; shuttle routes altered

The annual Rooftop Rodeo Parade will travel through downtown Estes Park beginning at 10:30 a.m. on Monday, July 6. Beginning at 9:30 a.m., the Estes Park Police Department will close the parade route along Elkhorn Avenue, from West Park Center in the 400-block of West Elkhorn Avenue east to the U.S. 34 and U.S. 36 intersection. Portions of Elkhorn Avenue will reopen to vehicles as the parade passes. The parade then turns onto U.S. 36 and CO Highway 7, then left onto Fourth Street before ending at the Fairgrounds Park-n-Ride. These streets will close to vehicle traffic just before the parade arrives.

Side streets along the parade route remain open during the parade, but access to the parade route will be prohibited until the parade passes. To avoid the parade route and bypass downtown, motorists may use alternate routes including the Moccasin bypass, Graves Avenue, Community Drive, U.S. 36 to Mall Road, and U.S. 34.

The Estes Park Free Shuttles will experience some delays due to the parade July 6 beginning at 9:30 a.m. until the completion of the parade. The shuttles are expected to resume the normal schedule by noon. The following stops will be out of service during the parade: Brown Route #1 - Estes Park Visitor Center and #19 - Barlow Plaza; Silver Route #6 Estes Park Event Center and #7 Estes Park Senior Center/Museum (expect delays at all other Silver Route stops); and Gold Route (Elkhorn Express trolley) all stops out of service. Please visit www.estes.org/shuttles or call 970-577-9900 for information related to the Estes Park Free Shuttles.
