Code Enforcement

Have you noticed your neighbors cleaning up their properties around town lately? In addition to cleaning up yards for the upcoming winter months, the Town Staff have been helping to make our town look nicer by enforcing the municipal codes that govern us. We live in such a beautiful area and the appearance of our town should reflect that. Please help us by keeping your yards and alleyways junk free!

Furnace Repair

Is your furnace in need of repair? Don't suffer in the cold! Ask for help!

Energy Outreach has an emergency home furnace repair program for qualifying low-income Coloradans. This Crisis Intervention Program (CIP) is funded through a federal grant to Colorado's Low-Income Energy Assistance Program (LEAP).

Households that qualify for energy bill payment assistance through LEAP and have a nonworking heating system can call toll-free 1-855-4-MY-HEAT (1-855-469-4328) to request repair or replacement as well as snow removal for fuel delivery in rural areas. The program does not provide for regular maintenance and servicing of heating.

You do **NOT** have to be a LEAP customer to call for help!

On the 11th hour of the 11th day of the 11th month of 1918, an armistice, or temporary cessation of hostilities, was declared between the Allied nations and Germany in the First World War, then known as "the Great War." Commemorated as Armistice Day beginning the following year, November 11th became a legal federal holiday in the United States in 1938. In the aftermath of World War II and the Korean War, Armistice Day became Veterans Day, a holiday dedicated to American veterans of all wars.
