Resolution No. 16-11: A resolution of the City Council of the City of Central, Colorado, approving a Memorandum of Understanding regarding Law Enforcement Services with the Gilpin County Sheriff’s office. (Miera)

ADJOURN. Next Council meeting March 15, 2016.
AGENDA ITEM # 7
CITY COUNCIL COMMUNICATION FORM

FROM: Daniel R. Miera, City Manager
DATE: February 26, 2016

ITEM: Resolution No. 16-11: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CENTRAL, COLORADO, APPROVING A MEMORANDUM OF UNDERSTANDING REGARDING LAW ENFORCEMENT SERVICES WITH THE GILPIN COUNTY SHERIFF’S OFFICE.

NEXT STEP: Council Action

_____ ORDINANCE  
X  MOTION  
_____ INFORMATION

I. REQUEST OR ISSUE:

The proposed resolution approves a Memorandum of Understanding (MOU) between the City of Central ("City") and the Gilpin County Sheriff's Office ("GCSO") for the provision of assistance to the Central City Police Department ("CCPD") with respect to law enforcement services.

II. RECOMMENDED ACTION / NEXT STEP:

Move to approve Resolution 16-11.

III. FISCAL IMPACTS:

The compensation for the services under the MOU is proposed at a base rate of twenty-five dollars ($25.00) per hour during applicable coverage period(s). This amount is approximately equal to the hourly rate of a Central City Police Officer, compensated at the minimum level within the approved salary range in FY16 for a Central City Police Officer position. That hourly rate does not include benefits or other operational costs otherwise incurred when considering law enforcement service costs.
Additional consideration may be given under circumstances that call for greater levels of service (e.g. holiday coverage, additional officers, etc.). Aside from the two (2) most recent vacancies created within the Police Department, following the resignations of Officer Young and Officer Barthoome, there are also two (2) additional unfilled Police Officer positions currently authorized in the CY Budget. As such, there are adequate funds within the CY CCPD budget to cover the anticipated costs related to the proposed MOU.

Another proposed measure of consideration under the Agreement is the provision for the possible use of a CCPD vehicle. The City currently has five (5) police service (patrol) vehicles within its fleet; however, the CCPD only has four (4) officers at this time, including the Chief. Moreover, given the current CCPD staffing shortage, it is likely that the City will not have more than one (1) CCPD officer working a patrol shift at any given time. As such, allowing the GCSO to use one (1) of the CCPD patrol vehicles will not have an adverse impact on the City's operations.

IV. BACKGROUND INFORMATION:

In mid-2015, the City began to explore options for obtaining assistance with law enforcement services to address its inability to provide complete 24-7 service coverage within the City. Understanding that the GCSO also faced similar challenges in providing complete 24-7 service within the County, including its southern coverage area, the two entities recognized there was a potential opportunity to develop a program that could be of mutual benefit to both agencies, as well as the overall community.

After several informal staff-level discussions (and one Executive Session discussion with City Council on January 5, 2016), it became evident that the potential opportunity for a mutually beneficial program might involve an IGA that could ultimately transfer most (or possibly all) City law enforcement services to the County. Unfortunately, once this news surfaced, the CCPD staffing challenges increased.

Despite continued efforts over the years (including increased funding), properly staffing and operating a 24-7 program continued to be extremely challenging for the Department. And now, suffice it to say; those pre-existing staffing issues were exacerbated by a couple recent resignations. As of mid-February 2016, the CCPD only had four (4) police officers on staff (including the Chief of Police), and potentially only three (3) of those officers could cover patrol shifts; an untenable situation that highlighted the City's capacity (or the lack thereof) to fulfill its most basic law enforcement responsibilities. Due to the serious nature of these circumstances, the City Council discussed possible options for addressing this growing liability during an Executive Session on February 16, 2016. As a result, staff was directed to explore the possibilities of securing assistance from the GCSO and/or the Black Hawk Police Department ("BHPD") to address the anticipated "service gap" coverage with respect to the City's operations.
Managerial staff made contact with the aforementioned agencies to request the desired assistance. And, although both agencies offered their support and assistance, only the GCSO was able to formally commit to providing the specific (and substantial) "service gap" coverage through a dedicated MOU, thereby supplementing the existing Mutual Aid Agreements already in place between the agencies. For nominal consideration, the GCSO is willing to provide basic service coverage for approximately 14 hours per day, three (3) days per week (the timeframes CCPD can no longer cover). The proposed MOU is intended to formalize an arrangement that has already been implemented by the GCSO in response to the current state of affairs (as an emergency measure). Without this informal assistance, or the approval of this formally proposed MOU, the CCPD cannot provide 12-7 coverage, much less 24-7 coverage.

A very important point to note is that this proposed MOU is not the IGA that has been previously (recently) discussed. That document (IGA) has not yet been drafted, and therefore, it has yet to be presented to the City Council or County Commission for their respective review and consideration; however, the process for developing that proposed document is still in-progress. On a related note, it must also be clarified that the GCSO is not attempting, nor would it be reasonable to expect them, to provide the same level of services that could otherwise be expected under an IGA. Without considerable compensation, and corresponding staffing increases, the GCSO cannot provide full-time coverage using personnel specifically dedicated to operations within Central City limits (as would be expected under any proposed IGA). Nevertheless, the coverage that the GCSO can provide under the proposed MOU is far greater than what the CCPD could otherwise provide given its current staffing levels. Even if the CCPD could cover its "service gaps" with "on-call" coverage (which it can no longer accomplish), the response times for any calls during those periods would likely be longer for CCPD staff than the response times that could be attainable by the GCSO under the proposed MOU.

V. LEGAL ISSUES: The City Attorney has drafted/reviewed the proposed MOU, and there are no legal issues. Insurance coverage relating to the GCSO using a CCPD vehicle while providing services under the proposed MOU has been reviewed and approved by CIRSA.

VI. CONFLICTS OR ENVIRONMENTAL ISSUES: None

VII. SUMMARY AND ALTERNATIVES:

Council may take one of the following actions:

1. Move to Approve.
2. Move to Approve with Amendments.
3. Move to Continue to a date certain.
4. Move to Table.

LAW ENFORCEMENT SERVICES

This Memorandum of Understanding Regarding Law Enforcement Services ("MOU") is made and entered into by and between the County of Gilpin, Gilpin County Sheriff's Office ("GCSO") and the City of Central, Colorado, a home rule municipal corporation of the State of Colorado (the "City") on behalf of the Central City Police Department ("CCPD").

WITNESSETH

WHEREAS, pursuant to C.R.S. § 29-1-203(1), governmental entities are authorized to cooperate with one another to provide any function or service lawfully authorized to each; and

WHEREAS, Gilpin County maintains the GCSO and the City maintains the CCPD; and

WHEREAS, GCSO and the City desire to enter into this MOU with the acknowledgment and consent of the CCPD; and

WHEREAS, the City currently needs assistance with covering certain CCPD shifts; and

WHEREAS, the GCSO currently maintains greater and more substantive staffing levels than the CCPD; and

WHEREAS, both the GCSO and the CCPD are committed to supporting citizens and business owners through exceptional service, to work with residents to provide a safe community, and to provide an enjoyable quality of life for all citizens; and

WHEREAS, the Parties recognize that cooperative and coordinated multi-jurisdiction law enforcement represents an effective and efficient way to impact criminal activity and to alleviate the strain on law enforcement resources devoted to problems related to normal fluctuations in staffing levels; and

WHEREAS, the City and Gilpin County, acting by and through its Board of County Commissioners ("BOCC") may, at a future date, commence formal discussions regarding a formal intergovernmental agreement regarding the provision of law enforcement services within Central City; and

WHEREAS, to date no such formal intergovernmental agreement or other related documentation has been drafted; and

WHEREAS, the primary purpose of this MOU is to establish an understanding between the City and the GCSO that will permit the GCSO to assist the CCPD with covering certain CCPD shifts and/or assisting the CCPD on an as-needed basis to address fluctuations in CCPD's staffing levels; and

WHEREAS, it is neither the purpose nor intent of this MOU to designate the GSCO as
the sole provider of law enforcement within the City or to otherwise replace the City police department as the primary law enforcement agency of the City.

NOW, THEREFORE, in consideration of the mutual promises and agreements of the Parties contained herein, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties agree as follows:

1. **Purpose.** The purpose of this Memorandum of Understanding is to set forth, define and establish mutual agreements, understandings, and obligations by and between the GCSO and the City of Central, Colorado, on behalf of the CCPD to provide law enforcement services within the corporate boundaries of the City when backup or emergency law enforcement services are needed or requested by the City.

2. **Effective Date.** This MOU will begin as of the date of mutual execution by the Parties (the “Effective Date”) and shall remain in effect until rescinded by one or both of the Parties. Any signatory to this MOU may terminate the same by delivering a ninety (90) day written notice of termination, signed by its designated representatives, to the other parties at the addresses set forth in Paragraph 17 below.

3. **Preliminary Service Schedule.** The preliminary schedule of when the City will need law enforcement services to be provided by the GCSO to support the CCPD is attached in Exhibit A, attached hereto and incorporated by reference. The City Manager and the GCSO Sheriff or his designee shall at all times be authorized to amend the schedule set forth in Exhibit A on an as-needed basis. Amendments to the schedule set forth in Exhibit A shall not require a written addendum to this MOU.

4. **Compensation.** Routine and common law enforcement services will be compensated at the rates set forth in Exhibit B to this MOU. During special events, holidays or other circumstances when the GCSO may be required to hire additional law enforcement patrol officers or otherwise have other officers on-call to assist with GCSO’s obligations under this MOU, the City will compensate the GCSO at the special rate(s) set forth in Exhibit B to this MOU. Other than the hourly rates set forth in this MOU, no additional payment shall be required for the providing of the law enforcement services by the GCSO to the City, as the Parties have jointly determined that such services are in the best interests of both Parties in protecting public safety and providing a high level of service to residents and businesses within Gilpin County. The hourly rates for GCSO law enforcement officers may periodically change during the term of this MOU. The City Manager and the GSCO Sheriff shall at all times be authorized to amend the normal or special rates set forth in Exhibit B. The agreed upon amount will be authorized through a written addendum to this MOU. If and as required, the Sheriff’s designee shall ensure that invoices for law enforcement services provided to the City and calculating the proper compensation are completed and submitted to the City Manager for payment. The City will issue funds to pay for such law enforcement services provided by GCSO officers or personnel within thirty (30) days of the date on which the invoice is received by the City Manager. GCSO will be responsible for paying its employees; the City will at no time direct payments to individual officers. In addition to the compensation addressed in this Paragraph 4, the GCSO shall be authorized to use one (1) CCPD patrol vehicle during the term
of this MOU. The GCSO shall be provided the use of a CCPD patrol vehicle at no charge. Any GCSO officer using the CCPD patrol vehicle shall constitute an authorized driver of the vehicle and the City shall continue to maintain the City’s automobile/physical damage coverage policy of insurance on all CCPD patrol vehicles, at no cost to the GCSO.

5. Commitment to Continue to Negotiate in Good Faith Toward IGA. However, the City and GCSO representatives agree to work in good faith during the term of this MOU to negotiate a proposed intergovernmental agreement for law enforcement services for consideration and possible action by the City and County, if the parties determine such arrangement to be in the best interests of the citizens and taxpayers of Gilpin County and Central City.

8. No Enforcement of Municipal Ordinances. The GCSO shall have no authority to enforce City Ordinances and nothing appearing in this MOU shall be construed as granting such authority.

9. Relationship of Parties. The Parties have entered into this MOU as separate entities and shall maintain such status throughout the entire term of this MOU.

10. Modification. This MOU may be modified, amended, changed or terminated, in whole or in part, only by an addendum in writing duly authorized and executed by the Parties. No consent of any third party shall be required for the negotiation and execution of any such addendum.
