City Manager Miera reviewed the budget numbers which provides for a Repayment Plan and Payment Schedule to service the loan obligation of the Water Enterprise Fund to the General Fund.

The City has loaned funds over the years from the General Fund to the Water Enterprise Fund (“Water Fund”) for operational and capital expenses. To-date, the loan amount has reached $1,411,188. FY 2017 is the first year that the City has begun to service the loan obligation. The Repayment Plan includes transfers and payments between the two (2) Funds; however, the transactions are designed to safeguard and maintain the Water Fund’s enterprise status. The Repayment Plan is subject to change as necessary, and always subject to annual appropriation by the City Council.

A transfer (“grant”) of $60,000 from the General Fund is proposed to be made to the Water Fund in FY 2017. And, a loan payment of $70,000 is proposed to be made by the Water Fund to the General Fund in FY 2017.

Mayor pro tem Voorhies moved to approve Resolution No. 17-16: A resolution of the City Council of the City of Central, Colorado approving a plan for full repayment of the loan from the General Fund to the Water Enterprise Fund with amendments. Alderman Laratta seconded, and without discussion, the motion carried unanimously.

Ordinance No. 17-04: An ordinance of the City Council of the City of Central, Colorado amending and restating the City of Central City Council Rules of Procedure.
Attorney McAskin gave the background as follows: Ordinance No. 17-04 which was discussed at the April 18, 2017 work session, proposes revisions to the City Council Rules of Procedure (the “Rules”). Specifically, the Ordinance revises the Rules to incorporate (as Rule 2), the following:

“In the event a question of proper parliamentary procedure arises during a meeting, the Mayor and City Council may rely upon Rosenberg’s Rules of Order, a copy of which is attached to these Rules of Procedure as Appendix B and incorporated herein by reference. As set forth in Rule 5 below, the Mayor shall make all parliamentary rulings with advice, if requested, from the City Manager or City Attorney who act as advisory parliamentarians.”

The minor revisions to the Rules addressed in Ordinance 17-04 include the following:

- Adding Rule 2 to incorporate Rosenberg’s Rules of Order as a reference point for parliamentary procedure.
- A minor change to Rule 4 changing the word “activate” to “announce”.
- Renumbering the balance of the current Rules to account for the insertion of new Rule 2.

Section 5.12 of the Home Rule Charter authorizes the City Council to set rules for the governance of its meetings and the conduct of its members by ordinance. The Rules were previously adopted by Ordinance 11-17 dated December 20, 2011, and amended by Ordinance 15-01 dated May 5, 2015. As set forth in the Rules (specifically, Rule 11), the City Council may amend the Rules by majority vote of all members of City Council. Rule 11 also requires that “[a]ny such amendment . . . be submitted in writing at a work session or a [Council] meeting preceding formal action” and also requires that “[t]he proposed amendment(s) . . . be placed on the next [City Council] Agenda in ordinance form for consideration by Council.”

COUNCIL COMMENTS

Rule 1  Meetings:

The Council shall meet regularly at least once each month. Council has set the meetings for the first and third Tuesday of each month at the City Hall at the hour of 7:00 p.m. (Section 5.1, Article V of the Charter). The City Manager shall direct the City Clerk to prepare and give notice of the Agenda for each Regular Meeting. Any Council member may move that an Agenda item be removed from consideration and such removal shall require an affirmative vote of the quorum present. Items to be placed on the Agenda must be introduced by a Council member or staff through a Council Work Session or Study Session with the exception of:

Any meeting of the City Council at a time other than on the first or third Tuesday of each month shall be considered a Special Meeting of the City Council and may be called or scheduled by the Mayor, the City Manager or any two members of the Council in accordance with the requirements of the (Section 5.2) Charter.

Work sessions are usually held immediately preceding a regular meeting, or as may otherwise be scheduled by the consensus of the majority of the City Council. The purpose of each work session shall be to hear, study and discuss matters that are to be expected to be presented for action at a Regular Meeting and to schedule such matters for formal action. Public hearings are not held during Council work sessions. Work sessions are considered meetings and shall be open to the public. Council is not required to take public comments during work sessions. The City Manager shall direct the City Clerk to prepare and give notice of the Agenda for each work session. At Council's discretion and if time permits, members of the public may address the Council about matters on the agenda that are scheduled for discussion during a work session. No business shall be transacted and no formal action may be taken at a work session. However, the Council may provide the City Manager with directions concerning agenda related items.

Executive Sessions may be convened upon motion and the affirmative vote of two-thirds of the quorum present. An Executive Session may only be held at a Regular or Special Meeting and in accordance with the provisions of C.R.S. § 24-6-402. The topics for discussion in the Executive Session shall be announced to the public, including a specific citation to the provision of C.R.S. § 24-6-402(4) authorizing the Council to meet in an Executive Session and identification of the particular matter to be discussed in as much detail as possible without compromising the purpose.

Except for determining its position in matters subject to negotiations, developing strategy for negotiations and instructing negotiators, no formal action shall be taken in an Executive Session to adopt a proposed policy, position, resolution, rule, regulation, or ordinance. Performance Reviews of the City Manager may be conducted by the Council as a personnel matter in Executive Session unless the City Manager requests that the performance review take place in open session. The confidentiality of the matters discussed in Executive Session shall be preserved by all persons present.

Rule 2    Parliamentary Procedure:

In the event a question of proper parliamentary procedure arises during a meeting, the Mayor and City Council may rely upon Rosenberg’s Rules of Order, a copy of which is attached to these Rules of Procedure as Appendix B and incorporated herein by reference. As set forth in Rule 5 below, the Mayor shall make all parliamentary rulings with advice, if requested, from the City Manager or City Attorney who act as advisory parliamentarians.

Rule 3    Consent Agenda:

The Consent Agenda allows the Council to approve several items of routine business with one vote. The Council shall determine those items to be included as consent items on the Agenda for any Regular Meeting. After the Consent Agenda is read, all of the consent items shall be voted on as a group. If the vote to approve the consent items is not unanimous when they are voted on as a group, each item shall be voted on separately. Prior to accepting the motion for adoption of the consent items, the Mayor shall ask the members of the Council if they wish to discuss any of the consent items. If a Council member requests discussion or requests that any item(s) be removed from the consent items, such item(s) shall be acted upon after consideration of the remaining consent items by the Council. The individual items will then be considered for adoption.

Consent Agenda items may include, but are not limited to:

- Approval of the Minutes of prior meetings;
- Receipt and referral of applications and scheduling of public hearings;
- Approval of Liquor License Renewals, if no violations have been noted;
- Approval of payment of the monthly bills; and/or
- Approval of appointments to Boards and Commissions.

The consent items will be listed as separate items on the Agenda for the Regular Meeting with an explanation for the general public in substantially the form as follows:

"All matters listed under Item ______, Consent Agenda, are considered to be routine business matters by the Council and will be enacted with a single motion and a single vote. There will be no separate discussion of these items. If discussion is deemed necessary, that item should be removed from the Consent Agenda and considered separately."

Rule 4    Conduct of Meetings:

Each Council member has equal powers in acting as a member of the Council.
A majority of the members of the Council in office shall constitute a quorum to do business (Section 5.4, Article V, Charter).

Voting on motions shall be by "aye" and "no", shall be taken upon the passage of all ordinances and resolutions, and entered upon the minutes of Council proceedings. Each member of the Council shall announce either a "yes" vote or a "no" vote from his or her seat and the votes shall be announced by the City Clerk and entered upon the minutes of the meeting.

Application to be excused from voting shall be made before the matter is discussed on the agenda. After the member has briefly stated the reason for his or her request to be excused and made a motion to be excused, the decision on recusal shall be made by consensus of Council.

In case of a tie vote on any motion or resolution, the motion or resolution shall be considered lost. In the event an applicant or proponent is present for the matter in question, the Mayor shall ask such individual whether because an even number of Council members are present, the applicant or proponent wishes to continue the matter until all members of the Council are present. The decision of the applicant or proponent shall be determinative. In the event the applicant or proponent is not present, the members of the Council present shall decide whether to proceed on the item despite the presence of an even number of members.

**Public Hearing Procedures**

A. **General.** Public hearings are required for all ordinances under consideration by City Council. In addition, public hearings may be required by state law or pursuant to the Central City Municipal Code. Public hearings shall be conducted in general accordance with the procedures set forth in this Section. Deviations from these procedures that do not affect the fairness and outcome of the hearing shall be permitted and shall not jeopardize or in any way nullify the hearing or the Council's decision.

B. **Procedures.** The Mayor shall conduct the hearing in general conformance with the following procedures, which may be varied when circumstances warrant:

1. Open the public hearing and read the title of the item into the record.
2. Explain public hearing procedures.
3. Establish, when determined to be necessary, reasonable time limits for the hearing and reasonable time allocations to be established therein. As a general proposition, a 3 minute time limit shall be the customary and appropriate time limit for individuals and a 5 minute time limit shall be the customary and appropriate time limit for persons representing groups or organizations. An applicant whose property rights are the subject of the public hearing shall not be subject to time limitations provided that the applicant avoids redundant and duplicative testimony or presentation of evidence.
4. Ask for an introductory presentation of the application by the City Staff.
5. Ask for the applicant's presentation (if any).
6. Provide opportunity for testimony by those who are present.
7. Provide applicant with an opportunity to present rebuttal testimony and evidence.
8. Allow, throughout public testimony portion of hearing, Council members the opportunity to ask questions of the applicant, staff and members of public.

9. Following questions from Council members, the Mayor will declare the public testimony portion of the hearing closed and the case will be remanded to the Council for consideration.

10. Upon the closure of the public testimony portion of the hearing, the Council will avoid additional questioning of any hearing participant except as may be found necessary by the Mayor to clarify a factual question or resolve a factual matter of dispute between members of the Council. No additional, unsolicited testimony shall be entertained or accepted by the Council. The public testimony portion of the hearing may be reopened only for good cause shown by a majority vote of the quorum present and only for the sole purpose of receiving specifically identified and focused testimony. In the event of reopening of the public testimony portion of the hearing, all persons in attendance shall be provided an opportunity to provide testimony regarding the specifically identified matter for which the hearing was reopened.

11. The Mayor shall ask for discussion or a motion from the Council. Upon proper motion and second, the Mayor may ask for further discussion on the motion. Any Council or staff member may be recognized for comments on the motion. After all discussion has occurred, the vote of Council members shall be taken.

C. Quasi-Judicial Hearings. The nature of public hearings on land use and liquor license applications before the Council is considered quasi-judicial. Council members are required to consider only such evidence and testimony that is presented during the public hearing. Consequently, Council members cannot consider evidence outside of the confines of the public hearing, and should not engage in conversations or communications about any land use or liquor license application with an applicant, members of the public or other Council members before the public hearing or during any recess from the public hearing. The purpose of this restriction is to afford applicants due process of law in terms of a fair and unbiased process and to allow the Council to make an impartial and objective decision.

D. Public Disruption. Members of the public who do not follow proper conduct after a warning in a public hearing may be barred from further testimony at that meeting or removed from the Council Chambers.

Rule 5 Roles and Responsibilities of Mayor:

The Mayor of the City of Central:

- Shall preside at all meetings of the Council.
- Shall maintain order, decorum, and the fair and equitable treatment of all speakers at meetings.
- Shall keep discussion and questions focused on specific agenda items under consideration and make parliamentary rulings with advice, if requested, from the City Manager or City Attorney who act as an advisory parliamentarian.
Rule 6  Roles and Responsibilities of Mayor Pro Tem:

In accordance with Section 3.5(b) of the Charter, and on an annual basis at the first regular Council meeting in the month of January, the Council shall appoint one of its own members to serve as Mayor Pro Tem. In the event of a temporary absence of the Mayor, the Mayor Pro Tem shall perform all duties and have all powers of the Mayor.

Rule 7  Temporary Chair:

In the event of the absence or disability of both the Mayor and Mayor Pro Tem that would prevent them from attending any regular or special meeting of Council, the City Manager or City Clerk shall call such meeting to order and shall call the roll. Council shall then proceed to elect, by a majority vote of the quorum present, a Temporary Chairperson of the meeting. The Temporary Chair will serve as the Presiding Officer for the meeting and shall perform the duties of the Mayor set forth in Rule 5 above.

The Temporary Chair shall serve as Presiding Officer until the arrival of the Mayor or Mayor Pro Tem at which time the Temporary Chair shall relinquish the chair upon the conclusion of the agenda item or other business then before the Council.

Rule 8  Responsibilities of All Members of the Council:

A.  **General Council Responsibilities and Conduct** should be:

1.  Treat each other with equal respect.

2.  Make sure that informational materials provided to one member will be provided to all members of the Council so that all have equal access to the same informational materials.

3.  Make no promises or commitments on behalf of the Council or the City, either overtly or implicitly.

4.  Support the formal actions of the Council, and the official position of the City, even if the member voted in the minority.

5.  Formal Council communications are approved through consensus of Council and signed by the Mayor or by the City Manager, as directed by Council.

6.  Unless directed to do so by the Council or unless compelled to do so by operation of law, not knowingly disclose information which he or she knows or reasonably should know is confidential information, regardless of the source of the information.

7.  Not knowingly use or disclose any confidential information gained in the course of or by reason of his or her official position and which has not been made public in order to advance his or her financial interests or to further the financial interests of any family member.

8.  Serve as a model of leadership and civility to the community.

9.  Seek to inspire public confidence in Central City government by demonstrating honesty and integrity in every action and statement.

10. Work together for the good of the City of Central.
11. Take credit for work done.
12. Acknowledge credit to people for work done.
13. Admit mistakes. Don't hide or run away from responsibility.

B. Council Responsibilities and Conduct During Meetings. During Regular or Special Meetings, Council members should:

1. Prepare in advance and be familiar with issues on the Agenda in order to participate in any meeting of the Council.
2. Stay focused and act efficiently during public meetings by honoring the efforts by the Mayor to focus discussion on current Agenda items.
3. Agree to disagree without getting personal.

Councils are composed of individuals with a wide variety of backgrounds, personalities, values, opinions, and goals. Despite this diversity, all have chosen to serve in public office in order to preserve and protect the present and the future of the community. In all cases, this common goal should be acknowledged even as Council may "agree to disagree" on contentious issues.

4. Look for Council agreements before disagreement and differences.
5. No personal attacks - no negative comments about each other.
6. Once a decision is made, move on to the next issue.
7. Listen before judging or reacting.
8. Speak to each other, not to the audience.
9. Speak for yourself, don't speak for others.
10. Base decision on your best judgment.
11. Communicate ideas.
12. Refer to one another formally during public meetings as Mayor, Mayor Pro Tem, Aldermen, or Council member followed by the individual's last name.
13. Practice civility and decorum in discussions and debate. Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. This does not allow, however, Council members to make belligerent, personal, impertinent, slanderous, threatening, abusive, or disparaging comments. No shouting or physical actions that could be construed as threatening will be tolerated.
14. Honor the role of the Mayor in maintaining order. It is the responsibility of the Mayor to keep the comments of Council members on track during public meetings. Council members should honor efforts by the Mayor to focus discussion on current agenda items. If there is disagreement about the agenda or the Mayor's actions,
those objections should be voiced politely and with reasoning, following procedures outlined in parliamentary procedure.

15. Avoid personal comments that could offend other Council members. If a Council member is personally offended by the remarks of another Council member, the offended Council member should make notes of the actual words used and call for a "point of personal privilege" that challenges the other Council member to justify or apologize for the language used. The Mayor will maintain control of this discussion.

17. Council members have a public stage to show how individuals with disparate points of view can find common ground and seek a compromise that benefits the community as a whole.

18. Listen actively. Be aware of facial expressions, especially those that could be interpreted as "smirking," disbelief, anger, or boredom.

19. Making the public feel welcome is an important part of the democratic process. No signs of partiality, prejudice, or disrespect should be evident on the part of individual Council members toward an individual participating in a public forum. Every effort should be made to be fair and impartial in listening to public testimony.

20. Council members should not engage in any personal attacks of any kind, under any circumstance. Council members should be aware that their body language and tone of voice, as well as the words they use, can appear to be intimidating or aggressive.

21. Follow parliamentary procedure in conducting public meetings. The City Attorney serves as advisory parliamentarian for the City and is available to answer questions or interpret situations according to parliamentary procedures. Final rulings on parliamentary procedure are made by the Mayor, subject to the appeal of the full Council.

22. If a Council member is representing another organization whose position is different from the City, the Council member shall recuse him or herself from voting on the issue if it significantly impacts or is detrimental to the City's interest. Council members should be clear about which organizations they represent and declare on record their particular involvement.

C. **Council Responsibilities and Conduct in Other Settings.** Outside of Council meetings, Council members should:

1. Show the same level of respect and consideration of differing points of view that is deemed appropriate for public discussions should be maintained in private conversations.

2. Be aware that written notes, voicemail messages, and electronic mail (e-mail) can be deemed public records under the Colorado Open Meetings Law and therefore subject to public disclosure. Council members should always consider that many forms of communication can be easily forwarded or distributed to individuals who
are not the intended recipients. Even private conversations can be repeated in public.

3. Council members hold the public trust of the residents of Central City and should be held to the highest standard of integrity and accountability.

4. In communications with constituents, public bodies, and others, Council members should disclose whether they are representing the City Council or their own personal interests.

5. If a Council member appears before another governmental agency or organization to give a statement on an issue, the Council member must clearly state: 1) if his or her statement reflects personal opinion or is the official stance of the City; and 2) whether this is the majority or minority opinion of the Council.

6. If the Council member is representing the City, the Council member must support and advocate the official City position on an issue, not a personal viewpoint.

7. Written correspondence also should be equally clear about representation.

8. City letterhead may be used when the Council member is representing the City and the City's official position. A copy of the official correspondence should be given to the City Manager to be copied to the entire Council and filed as part of the permanent public record.

9. City letterhead should not be used for correspondence of Council members representing a personal point of view, or a dissenting point of view from an official Council position. However, should Council members use City letterhead to express a personal opinion, the official City position must be stated clearly so the reader understands the difference between the official City position and the personal viewpoint of the Council member.

D. Council Interaction with Boards and Commissions.

1. Council members should not attend City Board or Commission meetings at which a decision or pending application that could be appealed to City Council is under consideration, except in the case where a Council member is the applicant or represents the applicant.

2. Council members may attend any Board or Commission meeting, which are always open to any member of the public. However, they should be sensitive to the way their participation - especially if it is on behalf of an individual, business or developer - could be viewed as unfairly affecting the process. Any public comments by a Council member at a Board or Commission meeting should be clearly made as individual opinion and not a representation of the entire City Council.

3. Limit professional contact with Board and Commission members to questions of clarification.

4. It is inappropriate for a Council member to contact a Board or Commission member to lobby on behalf of an individual, business, or developer. It is acceptable for
Council members to contact the City Manager to request clarification of a position taken by the Board or Commission.

5. Remember that Boards and Commissions serve the community, not individual Council members. The City Council appoints individuals to serve on Boards and Commissions, and it is the responsibility of Boards and Commissions to follow policy established by the Council. Board and Commission members do not report to individual Council members, nor should Council members feel they have the power or right to threaten Board and Commission members with removal if they disagree about an issue. Appointment and reappointment to a Board or Commission should be based on such criteria as expertise, ability to work with staff and the public, and commitment to fulfilling official duties. A Board or Commission appointment should not be used as a political "reward."

6. Be respectful of diverse opinions. A primary role of Boards and Commissions is to represent many points of view in the community and to provide the Council with advice based on a full spectrum of concerns and perspectives. Council members may have a closer working relationship with some individuals serving on Boards and Commissions, but must be fair and respectful of all citizens serving on Boards and Commissions.

7. Keep political support away from public forums. Board and Commission members may offer political support to a Council member, but not in a public forum while conducting official duties. Conversely, Council members may support Board and Commission members who are running for office, but not in an official forum in their unofficial capacity as a Council member.

E. Council Conduct with the Media.

1. The Mayor is the designated representative of the Council to present and speak on any official City position. If an individual Council member is contacted by the media, the Council member should be clear about whether their comments represent the official City position or a personal viewpoint.

2. The best advice for dealing with the media is to never go "off the record". Choose words carefully and cautiously. Comments taken out of context can cause problems. Be especially cautious about humor, sardonic asides, sarcasm, or word play. It is never appropriate to use personal slurs or swear words when talking with the media. Words that are not said cannot be quoted.

F. Council Interaction with City Staff.

1. Governance of a City relies on the cooperative efforts of elected officials, who set policy, and City staff, who implements and administers the Council's policies. Therefore, every effort should be made to be cooperative and show mutual respect for the contributions made by each individual for the good of the community.

2. Treat all staff as professionals. Clear, honest communication that respects the abilities, experience, and dignity of each individual is expected. Poor behavior toward staff is not acceptable.
3. Questions of City staff and/or requests for additional background information should be directed only to the City Manager. Requests for information should be made directly to the City Manager in written form.

4. Requests for follow-up or directions to staff should be made only through the City Manager or the City Attorney when appropriate. When in doubt about what staff contact is appropriate, Council members should ask the City Manager for direction. Materials supplied to a Council member in response to a request will be made available to all members of the Council so that all have equal access to information.

5. Council members should not disrupt City staff while they are in meetings, on the phone, or engrossed in performing their job functions in order to have their individual needs met.

6. Never publicly criticize an individual employee because such statements could expose the City as well as the individual Council members to potential liability. Council should never express concerns about the performance of a City employee in public, to the employee directly, or to the employee’s manager. Comments about staff performance should only be made to the City Manager through private correspondence or conversation.

7. Do not get involved in administrative functions.

8. Council members must not attempt to influence City staff on the making of appointments, awarding of contracts, selecting of consultants, processing of development applications, or granting of City licenses and permits.

9. Do not attend meetings with City staff unless requested by staff. Even if the Council member does not say anything, the Council member's presence implies support, shows partiality, intimidates staff, and hampers staff's ability to do their job objectively.

10. Limit requests for staff support. Routine secretarial support will be provided to all Council members. All mail for Council members is opened by the City Clerk, unless other arrangements are requested by a Council member.

11. Requests for additional staff support - even in high priority or emergency situations - should be made to the City Manager who is responsible for allocating City resources in order to maintain a professional, well-run City government.

12. Requests from Council for work requiring a substantive amount of staff time shall be made in a public meeting with consensus of Council.

13. Do not solicit political support from staff. Council members should not solicit any type of political support (financial contributions, display of posters or lawn signs, name on support list, etc.) from City staff. City staff may, as private citizens with constitutional rights, support political candidates but all such activities must be done away from the workplace.

**Rule 9 Attendance:**

Governance of the City requires that all of the elected or appointed members of the Council attend all Regular Meetings of the Council in order to fulfill each member's obligation to the citizens of
the City to fully participate in the process of government. The Council must have a quorum to do business. Each member of the Council has an obligation to his or her fellow members to be informed and attend the Regular Meetings of the Council. As a courtesy and when time permits, a member shall notify the Mayor or the City Manager that he or she will not be able to attend a Meeting. The Council may determine whether an absence is excused or unexcused based upon the information provided by the Mayor or City Manager. Unless otherwise determined by a vote of the Council, each absence shall be noted as "excused" by the Clerk in the Minutes. Any member of the Council shall have the right at the meeting at which the absence occurs to move for a determination that the absence is "unexcused". If such a motion is seconded, a roll call vote shall be taken and if a majority votes in favor of the motion, the absence shall be noted by the Clerk as "unexcused" in the Minutes. Repeated failures to attend Regular Meetings of the Council may be cause for censure by the Council.

More than three (3) consecutive absences of a member from Council meetings shall require Council review. If a member of the Council is found to have violated the provisions of this Rule because of the number of excused or unexcused absences, or both, the Council may sanction such member in accordance with Rule 10.

Rule 10 Compliance and Enforcement:

The Council may sanction any member whose conduct does not comply with these Rules of Procedure. Sanctions may include but are not limited to a written or verbal reprimand, formal written censure, or removal from a Council-appointed position or membership on any board or commission.

If a violation of these Rules of Procedure is alleged to have occurred, it shall be reported to the Mayor, or to the Mayor Pro Temp of the Council if the member alleged to be in violation is the Mayor. If deemed necessary by the remaining balance of Council, by majority vote, the City Manager may be directed to cause an investigation to be conducted of the allegation(s) and to cause to be prepared a written report of such findings to the Council and to the City Attorney. The City Attorney may make a recommendation to Council concerning the alleged violation. The member shall have the opportunity to respond to the allegation during a public meeting or in writing to other members of the Council. Thereafter, if there is a reasonable basis to believe a violation has occurred, the matter may be placed on the Agenda for discussion at a Regular Meeting. Advance written notice to the Council member of the date of the meeting shall be provided not less than ten (10) days prior to such meeting.

At the Regular Meeting, the Council shall review the investigative report and the findings and the recommendation of the City Attorney, if any, concerning the alleged violation(s). The member shall have the opportunity to rebut the allegation(s) through his or her own statement, the testimony of other witnesses and by the presentation of documentary evidence. The member may be represented by legal counsel of his or her choice and at his or her own expense. Upon motion made, seconded and passed by a majority vote of the other members of the Council, a member may be sanctioned as herein provided. If the motion fails or a motion is passed stating that there has been no violation of these Rules of Procedure, then the member shall be deemed not to have been in violation of these Rules.

A violation of these Rules of Procedure shall not be considered a basis for challenging the validity of a Council decision or determination.

The City Clerk shall provide a copy of these Rules of Procedure to any person who may request a petition of nomination for a position on the Council.
Rule 11  Amendments:

These Rules of Procedure may be amended or new rules adopted by a majority vote of all members of the Council. Any such amendment shall be submitted in writing at a work session or a Meeting preceding formal action. The proposed amendment(s) shall then be placed on the next Agenda in ordinance form for consideration by Council.

by Dave Rosenberg

The rules of procedure at meetings should be simple enough for most people to understand. Unfortunately, that hasn’t always been the case. Virtually all clubs, associations, boards, councils and bodies follow a set of rules, Robert’s Rules of Order, which are embodied in a small but complex book. Virtually no one I know has actually read this book cover to cover.

Worse yet, the book was written for another time and purpose. If you are running the British Parliament, Robert’s Rules of Order is a dandy and quite useful handbook. On the other hand, if you’re running a meeting of a five-member body with a few members of the public in attendance, a simplified version of the rules of parliamentary procedure is in order. Hence, the birth of “Rosenberg’s Rules of Order.”

This publication covers the rules of parliamentary procedure based on my 20 years of experience chairing meetings in state and local government. These rules have been simplified and slimmed down for 21st century meetings, yet they retain the basic tenets of order to which we are accustomed.

“Rosenberg’s Rules of Order” are supported by the following four principles:

1. Rules should establish order. The first purpose of the rules of parliamentary procedure is to establish a framework for the orderly conduct of meetings.

2. Rules should be clear. Simple rules lead to wider understanding and participation. Complex rules create two classes: those who understand and participate and those who do not fully understand and do not fully participate.

3. Rules should be user-friendly. That is, the rules must be simple enough that citizens feel they have been able to participate in the process.

4. Rules should enforce the will of the majority while protecting the rights of the minority. The ultimate purpose of the rules of procedure is to encourage discussion and to facilitate decision-making by the body. In a democracy, the majority rules. The rules must enable the majority to express itself and fashion a result, while permitting the minority to also express itself (but not dominate) and fully participate in the process.

The Chairperson Should Take a Back Seat During Discussions

While all members of the governing body should know and understand the rules of parliamentary procedure, it is the chairperson (chair) who is charged with applying the rules of conduct. The chair should be well versed in those rules, because the chair, for all intents and purposes, makes the final ruling on the rules. In fact, all decisions by the chair are final unless overruled by the governing body itself.

Because the chair conducts the meeting, it is common courtesy for the chair to take a less active role than other members of the body in debates and discussions. This does not mean that the chair should not participate in the debate or discussion. On the contrary, as a member of the body, the chair has full rights to participate in debates, discussions and decision-making. The chair should, however, strive to be the last to speak at the discussion and debate stage, and should not make or second a motion unless he or she is convinced that no other member of the body will do so.

The Basic Format for an Agenda Item Discussion

Formal meetings normally have a written, published agenda; informal meetings may have only an oral or understood agenda. In either case, the meeting is governed by the agenda and the agenda constitutes the body’s agreed-upon road map for the meeting. And each agenda item can be handled by the chair in the following basic format.

First, the chair should clearly announce the agenda item number and should clearly state what the subject is. The chair should then announce the format that will be followed.

Second, following that agenda format, the chair should invite the appropriate people to report on the item, including any recommendation they might have. The appropriate person may be the chair, a member of the governing body,
a staff person, or a committee chair charged with providing information about the agenda item.

**Third,** the chair should ask members of the body if they have any technical questions for clarification. At this point, members of the governing body may ask clarifying questions to the people who reported on the item, and they should be given time to respond.

**Fourth,** the chair should invite public comments or, if appropriate at a formal meeting, open the meeting to public input. If numerous members of the public indicate a desire to speak to the subject, the chair may limit the time of each public speaker. At the conclusion of the public comments, the chair should announce that public input has concluded (or that the public hearing, as the case may be, is closed).

**Fifth,** the chair should invite a motion from the governing body members. The chair should announce the name of the member who makes the motion.

**Sixth,** the chair should determine if any member of the body wishes to second the motion. The chair should announce the name of the member who seconds the motion. It is normally good practice for a motion to require a second before proceeding with it, to ensure that it is not just one member of the body who is interested in a particular approach. However, a second is not an absolute requirement, and the chair can proceed with consideration and a vote on the motion even when there is no second. This is a matter left to the discretion of the chair.

**Seventh,** if the motion is made and seconded, the chair should make sure everyone understands the motion. This is done in one of three ways:

1. The chair can ask the maker of the motion to repeat it;
2. The chair can repeat the motion; or
3. The chair can ask the secretary or the clerk of the body to repeat the motion.

**Eighth,** the chair should now invite discussion of the motion by the members of the governing body. If there is no desired discussion or the discussion has ended, the chair should announce that the body will vote on the motion. If there has been no discussion or a very brief discussion, the vote should proceed immediately, and there is no need to repeat the motion. If there has been substantial discussion, it is normally best to make sure everyone understands the motion by repeating it.

Motions are made in a simple two-step process. First, the chair recognizes the member. Second, the member makes a motion by preceding the member’s desired approach with the words: “I move ...” A typical motion might be: “I move that we give 10 days’ notice in the future for all our meetings.”

The chair usually initiates the motion by:

1. Inviting the members to make a motion: “A motion at this time would be in order.”

Debate on policy is healthy; debate on personalities is not. The chair has the right to cut off discussion that is too personal, too loud or too crude.

**Ninth,** the chair takes a vote. Simply asking for the “ayes” and then the “nays” is normally sufficient. If members of the body do not vote, then they “abstain.” Unless the rules of the body provide otherwise or unless a super-majority is required (as delineated later in these rules), a simple majority determines whether the motion passes or is defeated.

**Tenth,** the chair should announce the result of the vote and should announce what action (if any) the body has taken. In announcing the result, the chair should indicate the names of the members, if any, who voted in the minority on the motion. This announcement might take the following form: “The motion passes by a vote of 3-2, with Smith and Jones dissenting. We have passed the motion requiring 10 days’ notice for all future meetings of this governing body.”

**The Three Basic Motions**

Three motions are the most common:

1. **The basic motion.** The basic motion is the one that puts forward a decision for consideration. A basic motion might be: “I move that we create a five-member committee to plan and put on our annual fundraiser.”

2. **The motion to amend.** If a member wants to change a basic motion that is under discussion, he or she would move to amend it. A motion to amend might be: “I move that we amend the motion to have a 10-member committee.” A motion to amend takes the basic motion that is before the body and seeks to change it in some way.

Motions in General

Motions are the vehicles for decision-making. It is usually best to have a motion before the governing body prior to discussing an agenda item, to help everyone focus on the motion before them.
3. **The substitute motion.** If a member wants to completely do away with the basic motion under discussion and put a new motion before the governing body, he or she would "move a substitute motion." A substitute motion might be: "I move a substitute motion that we cancel the annual fundraiser this year."

Motions to amend and substitute motions are often confused. But they are quite different, and so is their effect, if passed.

A motion to amend seeks to retain the basic motion on the floor, but to modify it in some way.

A substitute motion seeks to throw out the basic motion on the floor and substitute a new and different motion for it.

The decision as to whether a motion is really a motion to amend or a substitute motion is left to the chair. So that if a member makes what that member calls a motion to amend, but the chair determines it is really a substitute motion, the chair's designation governs.

### When Multiple Motions Are Before The Governing Body

Up to three motions may be on the floor simultaneously. The chair may reject a fourth motion until the three that are on the floor have been resolved.

When two or three motions are on the floor (after motions and seconds) at the same time, the first vote should be on the last motion made. So, for example, assume the first motion is a basic "motion to have a five-member committee to plan and put on our annual fundraiser." During the discussion of this motion, a member might make a second motion to "amend the main motion to have a 10-member committee, not a five-member committee, to plan and put on our annual fundraiser." And perhaps, during that discussion, a member makes yet a third motion as a "substitute motion that we not have an annual fundraiser this year." The proper procedure would be as follows.

First, the chair would deal with the third (the last) motion on the floor. The substitute motion. After discussion and debate, a vote would be taken first on the third motion. If the substitute motion passes, it would be a substitute for the basic motion and would eliminate it. The first motion would be moot, as would the second motion (which sought to amend the first motion), and the action on the agenda item would be complete. No vote would be taken on the first or second motions. On the other hand, if the substitute motion (the third motion) failed, the chair would proceed to consideration of the second (now the last) motion on the floor, the motion to amend.

If the substitute motion failed, the chair would then deal with the second (now the last) motion on the floor, the motion to amend. The discussion and debate would focus strictly on the amendment (should the committee be five or 10 members). If the motion to amend passed, the chair would now move to consider the main motion (the first motion) as amended. If the motion to amend failed, the chair would now move to consider the main motion (the first motion) in its original format, not amended.

### To Debate or Not to Debate

The basic rule of motions is that they are subject to discussion and debate. Accordingly, basic motions, motions to amend, and substitute motions are all eligible, each in their turn, for full discussion before and by the body. The debate can continue as long as members of the body wish to discuss an item, subject to the decision of the chair that it is time to move on and take action.

There are exceptions to the general rule of free and open debate on motions. The exceptions all apply when there is a desire of the body to move on. The following motions are not debatable (that is, when the following motions are made and seconded, the chair must immediately call for a vote of the body without debate on the motion):

- **A motion to adjourn.** This motion, if passed, requires the body to immediately adjourn to its next regularly scheduled meeting. This motion requires a simple majority vote.

- **A motion to recess.** This motion, if passed, requires the body to immediately take a recess. Normally, the chair determines the length of the recess, which may range from a few minutes to an hour. It requires a simple majority vote.

---

The challenge for anyone chairing a public meeting is to accommodate public input in a timely and time-sensitive way, while maintaining steady progress through the agenda items.

Third, the chair would now deal with the first motion that was placed on the floor. The original motion would either be in its original format (five-member committee) or, if amended, would be in its amended format (10-member committee). And the question on the floor for discussion and decision would be whether a committee should plan and put on the annual fundraiser.

**A motion to fix the time to adjourn.** This motion, if passed, requires the body to adjourn the meeting at the specific time set in the motion. For example, the motion might be: "I move we adjourn this meeting at midnight." It requires a simple majority vote.

**A motion to table.** This motion, if passed, requires discussion of the agenda item to be halted and the agenda item to
be placed on "hold." The motion may contain a specific time in which the item can come back to the body: "I move we table this item until our regular meeting in October." Or the motion may contain no specific time for the return of the item, in which case a motion to take the item off the table and bring it back to the body will have to be taken at a future meeting. A motion to table an item (or to bring it back to the body) requires a simple majority vote.

A motion to limit debate. The most common form of this motion is to say: "I move the previous question" or "I move the question" or "I call for the question." When a member of the body makes such a motion, the member is really saying: "I've had enough debate. Let's get on with the vote." When such a motion is made, the chair should ask for a second to the motion, stop debate, and vote on the motion to limit debate. The motion to limit debate requires a two-thirds vote of the body. Note that a motion to limit debate could include a time limit. For example: "I move we limit debate on this agenda item to 15 minutes." Even in this format, the motion fails. If one member is absent and the vote is 3-3, the motion still fails.

All motions require a simple majority, but there are a few exceptions. The exceptions occur when the body is taking an action that effectively cuts off the ability of a minority of the body to take an action or discuss an item. These extraordinary motions require a two-thirds majority (a super-majority) to pass:

Motion to limit debate. Whether a member says, "I move the previous question," "I move the question," "I call for the question," or "I move to limit debate," it all amounts to an attempt to cut off the ability of the minority to discuss an item, and it requires a two-thirds vote to pass.

Motion to close nominations. When choosing officers of the body, such as the chair, nominations are in order either from a nominating committee or from the floor of the body. A motion to close nominations effectively cuts off the right of the minority to nominate officers, and it requires a two-thirds vote to pass.

If you are running the British Parliament, *Robert's Rules of Order* is a dandy and quite useful handbook.

---

Motion to suspend the rules. This motion is debatable, but requires a two-thirds vote to pass. If the body has its own rules of order, conduct or procedure, this motion allows the body to suspend the rules for a particular purpose. For example, the body (a private club) might have a rule prohibiting the attendance at meetings by non-club members. A motion to suspend the rules would be in order to allow a non-club member to attend a meeting of the club on a particular date or on a particular agenda item.

### The Motion to Reconsider

There is a special and unique motion that requires a bit of explanation all by itself: the motion to reconsider. A tenet of parliamentary procedure is finality. After vigorous discussion, debate and a vote, there must be some closure to the issue. And so, after a vote is taken, the matter is deemed closed, subject only to reopening if a proper motion to reconsider is made.

A motion to reconsider requires a majority vote to pass, but there are two special rules that apply only to the motion to reconsider.

First is the matter of timing. A motion to reconsider must be made at the meeting where the item was first voted upon or at the very next meeting of the body. A motion to reconsider made at a later time is untimely. (The body, however, can always vote to suspend the rules and, by a two-thirds majority, allow a motion to reconsider to be made at another time.)

Second, a motion to reconsider may be made only by certain members of the body. Accordingly, a motion to reconsider may be made only by a member who voted in the majority on the original motion. If such a member has a change of heart, he or she may make the motion to reconsider (any other member of the body may second the motion). If a member who voted in the minority seeks to make the motion to reconsider, it must be ruled out of order. The purpose of this rule is finality. If a member of the minority could make a motion to reconsider, then the item could be brought back to the body again and again, which would defeat the purpose of finality.
If the motion to reconsider passes, then the original matter is back before the body, and a new original motion is in order. The matter may be discussed and debated as if it were on the floor for the first time.

**Courtesies and Decorum**

The rules of order are meant to create an atmosphere where the members of the body and the members of the public can attend to business efficiently, fairly and with full participation. And at the same time, it is up to the chair and the members of the body to maintain common courtesy and decorum. Unless the setting is very informal, it is always best for only one person at a time to have the floor, and it is always best for every speaker to be first recognized by the chair before proceeding to speak.

The chair should always ensure that debate and discussion of an agenda item focus on the item and the policy in question, not on the personalities of the members of the body. Debate on policy is healthy; debate on personalities is not. The chair has the right to cut off discussion that is too personal, too loud or too crude.

Debate and discussion should be focused, but free and open. In the interest of time, the chair may, however, limit the time allotted to speakers, including members of the body. Can a member of the body interrupt the speaker? The general rule is no. There are, however, exceptions. A speaker may be interrupted for the following reasons:

**Privilege.** The proper interruption would be: “Point of privilege.” The chair would then ask the interrupter to “state your point.” Appropriate points of privilege relate to anything that would not be considered appropriate conduct of the meeting; for example, if the chair moved on to a vote on a motion that permits debate without allowing that discussion or debate.

**Appeal.** If the chair makes a ruling that a member of the body disagrees with, that member may appeal the ruling of the chair. If the motion is seconded and after debate, if it passes by a simple majority vote, then the ruling of the chair is deemed reversed.

**Call for orders of the day.** This is simply another way of saying, “Let’s return to the agenda.” If a member believes that the body has drifted from the agreed-upon agenda, such a call may be made. It does not require a vote, and when the chair discovers that the agenda has not been followed, the chair simply reminds the body to return to the agenda item properly before them. If the chair fails to do so, the chair’s determination may be appealed.

It is usually best to have a motion before the governing body prior to discussing an agenda item, to help everyone focus.

**Withdraw a motion.** During debate and discussion of a motion, the maker of the motion on the floor, at any time, may interrupt a speaker to withdraw his or her motion from the floor. The motion is immediately deemed withdrawn, although the chair may ask the person who seconded the motion if he or she wishes to make the motion, and any other member may make the motion if properly recognized.

**Special Notes About Public Input**

The rules outlined here help make meetings very public-friendly. But in addition, and particularly for the chair, it is wise to remember three special rules that apply to each agenda item:

**Rule One:** Tell the public what the body will be doing.

**Rule Two:** Keep the public informed while the body is doing it.

**Rule Three:** When the body has acted, tell the public what the body did.

Public input is essential to a healthy democracy, and community participation in public meetings is an important element of that input. The challenge for anyone chairing a public meeting is to accommodate public input in a timely and time-sensitive way, while maintaining steady progress through the agenda items. The rules presented here for conducting a meeting are offered as tools for effective leadership and as a means of developing sound public policy.

Motions to amend and substitute motions are often confused. But they are quite different, and so is their effect, if passed.
AGENDA ITEM #8
CITY COUNCIL COMMUNICATION FORM

FROM: Abigail R. Adame, Finance Director
DATE: May 16, 2017
ITEM: Resolution 17-17: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CENTRAL, COLORADO APPROVING ADJUSTMENTS AND APPROPRIATING ADDITIONAL SUMS OF MONEY IN THE CITY OF CENTRAL FISCAL YEAR 2017 BUDGET FOR THE WATER FUND AND GENERAL FUND DUE TO THE ADOPTION OF A REPAYMENT SCHEDULE FOR THE LOAN TO THE WATER FUND FROM THE GENERAL FUND

NEXT STEP: Move to adopt Resolution 17-17, A Resolution of the City Council of the City of Central, Colorado Approving Adjustments and Appropriating Additional Sums of Money in the City of Central Fiscal Year 2017 Budget for the Water Fund and General Fund due to the Adoption of a Repayment Schedule for the Loan to the Water Fund from the General Fund.

I. REQUEST OR ISSUE: The City’s Fiscal Year 2017 (“FY17”) Budget was adopted via Resolution 16-36 on December 6, 2016. Since this was before the adoption of Ordinance 16-06 (Water Rates/Fees), which was approved on December 20, 2016, the Operating Revenues and Reserved for Specific Purposes amounts must be amended to reflect those changes; and, Resolution 17-17 proposes (in-part) to do that. Accordingly, the Total Operating Revenues increased from $591,900 to $747,900, and the Reserved amount decreased from $140,716 to $116,000.

Also, at the time of the adoption of the FY17 Budget, the General Fund reflected a $0 Transfer to the Water Fund, and a Short-Term Loan of $185,000 (adding to the existing balance) to the Water Fund; thus, the Water Fund reflected $185,000 in loan revenues from Other Sources. As a result of the adoption of Resolution 17-16 on May 2, 2017, the established repayment schedule will require related budget adjustments. The amount of the loan revenues in the Water Fund decreased from $185,000 to $130,000; however, the Transfer (“grant”) from the General Fund increased from $0 to $60,000; a net increase of $5,000. Thus, a supplemental appropriation of $5,000 is planned for the General Fund, along with the corresponding budget adjustments.
Additionally, Resolution 17-17 proposes to increase the Water Fund’s expenditures, specifically the Loan Repayment to the General Fund, from $10,000 to $70,000. This results in increased General Fund Revenues by Source (Loan Repayment from Water Fund), from $10,000 to $70,000. Thus, the Water Fund requires a supplemental appropriation to account for the additional $60,000 in expenditures.

II. **RECOMMENDED ACTION / NEXT STEP:** Move to adopt Resolution 17-17.

III. **FISCAL IMPACTS:** The General Fund appropriation in FY17 increases by $5,000 (note: this is off-set by a $60,000 increase in General Fund revenues). The amount of the FY17 loan to the Water Fund from the General Fund decreases by $55,000. The Water Fund appropriation in FY17 increases by $60,000 (note: this supplemental appropriation results in a $70,000 reduction in the outstanding balance of the Water Fund loan.

To all of our valued patrons:

It is with disappointment that we inform you that Ace Express Coaches will be suspending our Casino Schedule Service, effective July 31st, 2017.

We have been evaluating the decline in ridership over the past few years, and we have been unable to find a viable way to make our service profitable again. It is clear that it is time for us to shift our focus to other sectors of our business. We know that this decision affects many people that have relied on our service over the years, and for this we are very sorry.

It is our hope that providing you nearly three months notice will give you time to seek out alternate means of transportation. It is likely that another company will choose to pick up at least some of the casino bus service that we currently offer, but nothing is certain at this point. We are also in discussion with several casinos regarding alternative services. We will be sure to provide an update as soon as we have something definitive to share.

It has been our pleasure to serve you for the past 26 years, and we thank you for your patronage and understanding.

Sincerely,

**Apparatus**

I have spent a tremendous amount of time looking for brake drums for our E31 (1986 GMC/Pierce). Our current drums were able to be turned one last time. These drums are outdate and obsolete now. If I can’t find drums for this truck we will have to red line the truck and take it out of service. This will cause a tremendous hardship on the department operations as a whole.

Trouble shoot an electrical issue with my Command 31 truck (2006 Dodge 3500).

**General**

Submitted an amendment for our 2015 AFG Grant for the SCBA equipment.

Assisted with conducting an Emergency Management presentation to the Rotary Club at the Isle of Capri in Black Hawk.

Attended the Disaster Resiliency open house at the Court House.

I and two Firefighters attended the LODD Funeral for Firefighter Brett Anderson of Adams County Fire Rescue in Arvada and Wheat Ridge.
