## Affidavit: Salvage Value of Equipment

(Revised 1/7/2015)

A Fund applicant who has received monetary compensation for the salvage value of equipment used for remediation where the applicant purchased the equipment and received reimbursement for the equipment from the Colorado Petroleum Storage Tank Fund is required to complete this affidavit and sign it before a notary public.

Allowable costs include equipment costs which are related solely to remediation. If the equipment is purchased with Fund money, the reimbursement amount shall be reduced by any salvage value of the equipment. More information about this requirement is available in Section 8-3 (14) of the [Petroleum Storage Tank Regulations](#).
