

CENTRAL CITY TREE FESTIVAL

Main Street Central City Commission is sponsoring a “Central City Tree Festival”. We are asking that everyone who can to join us in this special festival to enhance our city’s decorations for the Holidays.

The trees will be displayed in windows of the local businesses in Central City. There will be a first prize for Best Tree of \$100 and a second prize for Best Theme of \$45. The entry fee is \$15 per tree and you can enter as many as you like. You can enter as an individual, team, family, group or business. The tree can be either 4ft or 6ft tall and must be artificial. Please bring a extension cord for the lights. We would like to start installing the trees by November 28th thru December 10th. We will leave them up through January 29th-31st. Each tree will have a sign giving your information and voting information.

This will add to our beautiful city holiday lighting and make our city look additionally festive. We would like to add this as an annual festival of Trees for all to enjoy
