

Accomplishments:

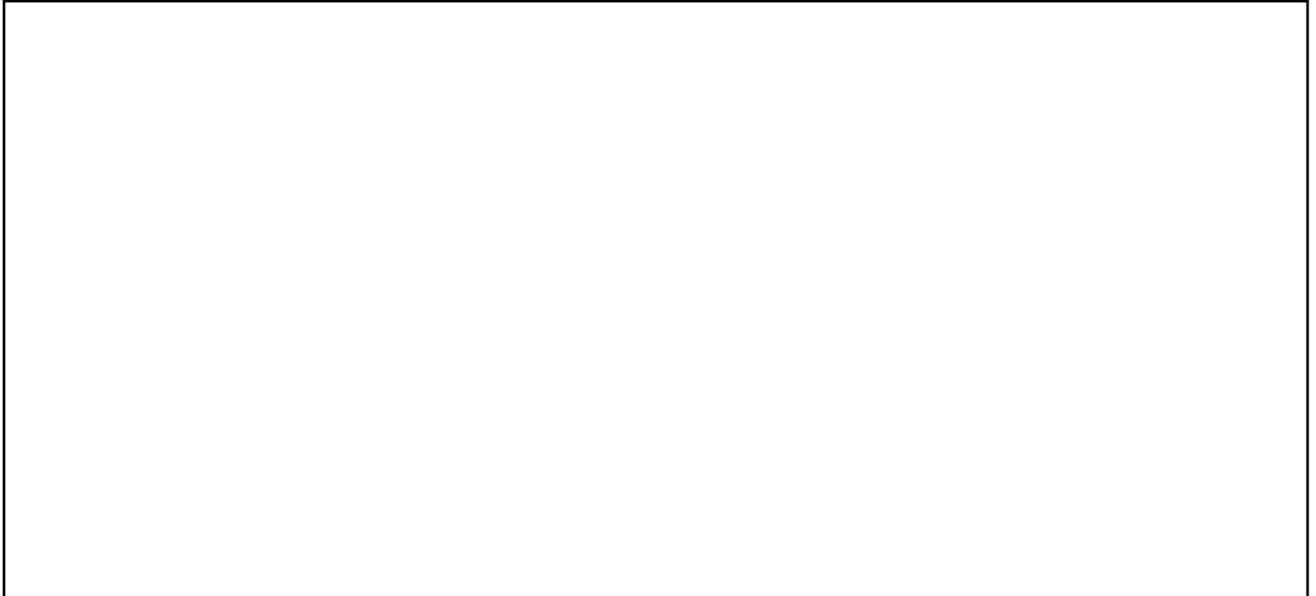

- Compare the accomplishments of the project with the goals proposed in the application.
- When project goals were not achieved, indicate what plans there are to complete the project after the grant period, how project activities will be funded, and when they are likely to be completed.

Audiences:

- Describe the audiences for the project. Indicate the nature, size, geographic reach, sex and age of the audience and assess the impact that the project had on this audience. What kinds of new or previously underserved audiences did the project attract?
- How much of an increase in visitor flow or membership did your organization experience as a result of the project?

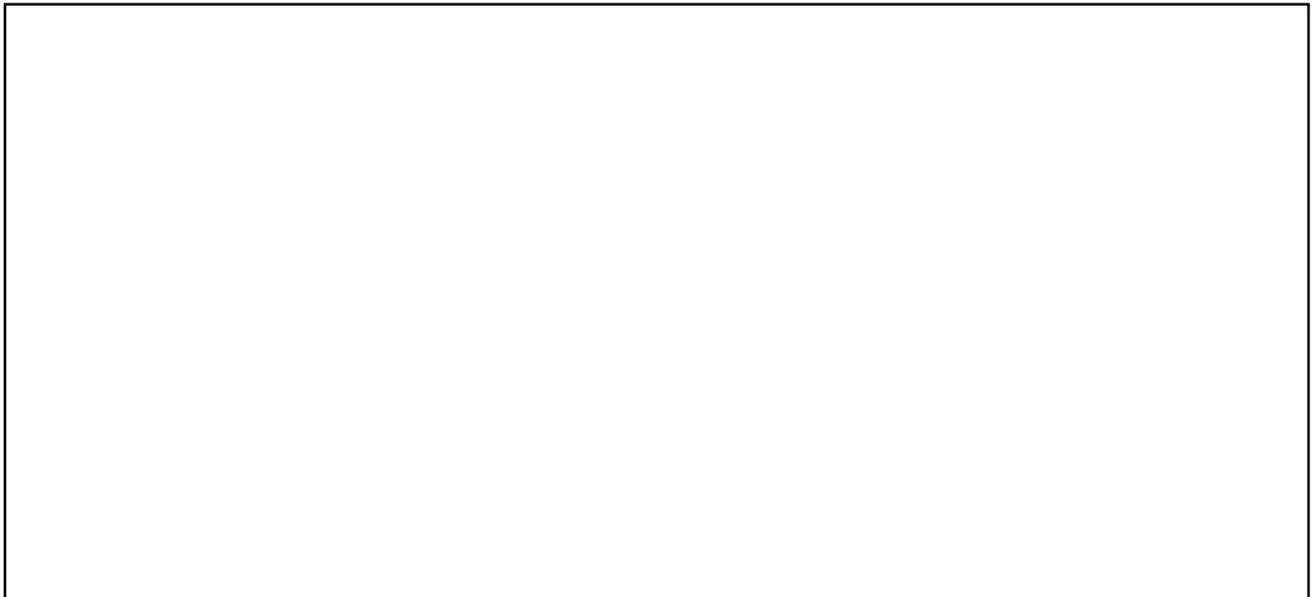

Digital Component:

- Describe how the project met the requirements for a digital component.
- Provide links to the online digital outputs of the project.

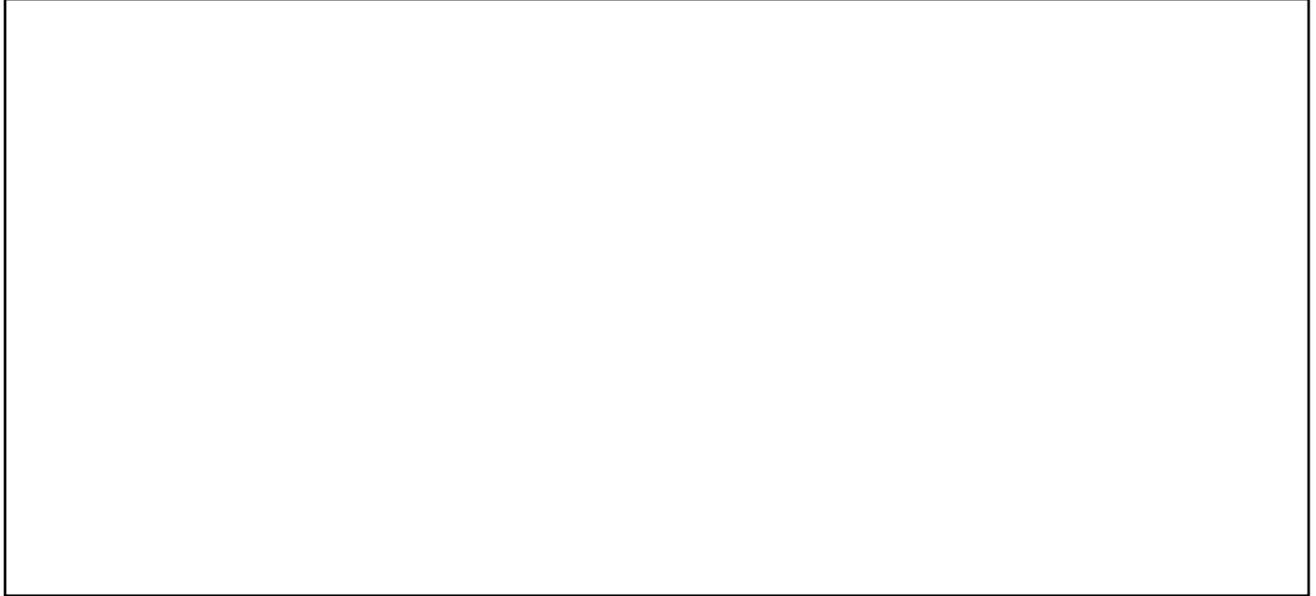

Long Term Impact:

- What effect did the project have on the public's perception of your institution and on your plans for future projects?

Metrics:

- Describe how many records were created by the project. (How many scans or digital objects were created? How many boxes were processed? How many metadata records were

A large, empty rectangular box with a thin black border, intended for the user to provide details on the metrics mentioned in the list above. The box is currently blank.
