

## COSTILLA COUNTY PUBLIC HEALTH AGENCY

P.O. Box 99 • 233 Main Street, Suite C

San Luis, CO 81152

(719) 672-3332 (Phone) • (719) 672-3856 (Fax)

Vivian B. Gallegos, R.N. - Director

---

March 18, 2020

In an effort to slow the spread of Coronavirus Disease 2019 (COVID-19) in our community, Costilla County Public Health Agency is closing public access to the Public Health Building starting on Thursday, March 19<sup>th</sup>, 2020.

Staff will be providing limited essential services via phone and online. In-person contact for receiving essential services will have restrictions during this time.

These adjustments to county public health services and public access will be in place until further notice. These precautions will be continually evaluated and may be subject to change.

Please continue to visit the county **website [www.colorado.gov/pacific/costillacounty](http://www.colorado.gov/pacific/costillacounty)** and/or our **Face book page, Costilla County Public Health Agency**

**Commodity Supplemental Food Program** will continue to be available for the Elderly (60 and over and those who meet the financial guidelines). This program will continue on the usual schedule at this time. The doors will be locked. We ask you to call **719-672-3452**. We will instruct you on the procedure to receive your food box. We must limit the number of people who come in the office at one time. We strongly recommend if you are over 60, or have underlying medical conditions that increase your risk of serious COVID-19 that you have someone pick up your food box for you. Please call the office to let us know who is picking up your food box. Our goal is to continue to provide this much needed food package. ***Situations are changing rapidly so please call before you come to the CSFP office to find out if we are currently distribution commodities.***

Please call 719-672-3332 for more information.

**Vivian B. Gallegos, RN**
