

# EAB Colorado Incident Map

### Survey Results

- Detected
- Undetected
- Presumed Infested
- City Boundary
- Boulder County

**Survey Terminology:**  
**Detected:** Trees sampled showed life stages or damage associated with EAB.  
**Undetected:** Trees sampled showed no life stages of EAB and may have shown suspect damage from Ash tree pests.  
**Presumed Infested:** Area is likely infested, no longer sampling.
