

**Products that have been removed from the list of pesticides that may be used on marijuana:**

<b>Product Name</b>	<b>Company</b>	<b>EPA number</b>	<b>Date Removed</b>	<b>Reason for removal</b>
Grandevo	Marrone Bio Innovations	84059-17	8/21/15	Label revision
Employ H&T	Plant Health Care, Inc.	71771-3	9/15/15	Re-review
Guardian	All In Enterprises	N/A	1/21/16	See Advisory

**Notes about reasons for removal:**

- Label revision - the manufacturer has revised their label language in a manner that would make it a violation to use that product on marijuana.
- Re-review - CDA has conducted an additional review of the product and it was determined that the label language did not meet CDA's current criteria.
